**Babcock International Group PLC (Babcock or the Group)
Aviation Spain site visit**

Babcock, the engineering services company, is today hosting a site visit and briefing for investors and analysts on our Aviation Sector at our facilities in Alicante, Albacete and Valencia in Spain. The day will be hosted by Archie Bethel, Group Chief Executive, and Roger Hardy, Chief Executive Aviation.

No new material trading information will be released. The presentation slides from the day will be available on our website at www.babcockinternational.com/investors
