7. AMENDMENTS AND SUBSTITUTION

7.1 Waiver

The Trustee may, without any consent or sanction of the Noteholders or Couponholders and without prejudice to its rights in respect of any subsequent breach, condition, event or act, from time to time and at any time, but only if and in so far as in its opinion the interests of the Noteholders shall not be materially prejudiced thereby, on such terms and conditions (if any) as shall seem expedient to it, authorise or waive any breach or proposed breach of any of the covenants or provisions contained in this Trust Deed or the Notes or the Coupons or determine that any Event of Default or Potential Event of Default shall not be treated as such for the purposes of this Trust Deed; any such authorisation, waiver or determination shall be binding on the Noteholders and the Couponholders and, if, but only if, the Trustee shall so require, the Issuer shall cause such authorisation, waiver or determination to be notified to the Noteholders as soon as practicable thereafter in accordance with the Conditions; **provided that** the Trustee shall not exercise any powers conferred upon it by this Clause in contravention of any express direction by an Extraordinary Resolution or of a request in writing made by the holders of not less than 25 per cent. in aggregate principal amount of the Notes then outstanding (but so that no such direction or request shall affect any authorisation, waiver or determination previously given or made) or so as to authorise or waive any such breach or proposed breach relating to any of the matters the subject of the Reserved Matters as specified and defined in Schedule 4.

7.2 Modifications

The Trustee may from time to time and at any time without any consent or sanction of the Noteholders or Couponholders concur with the Issuer in making (a) any modification to this Trust Deed or the Agency Agreement (other than in respect of Reserved Matters as specified and defined in Schedule 4 or any provision of this Trust Deed referred to in that specification) or the Notes which in the opinion of the Trustee it may be proper to make provided the Trustee is of the opinion that such modification is not materially prejudicial to the interests of the Noteholders or (b) any modification to this Trust Deed or the Notes if in the opinion of the Trustee such modification is of a formal, minor or technical nature

or made to correct a manifest error. Any such modification may be made on such terms and subject to such conditions (if any) as the Trustee may determine.

In addition, the Trustee shall be obliged to concur with the Issuer in effecting any amendments to the interest calculation provisions and provisions related thereto of the Notes in the circumstances and as otherwise set out in Condition 7(h) (*Floating Rate Note Provisions – Benchmark Replacement*) without the requirement for the consent or sanction of the Noteholders or Couponholders.

Any such modification effected in accordance with this Clause shall be binding on the Noteholders and the Couponholders and, unless the Trustee otherwise agrees, the Issuer shall cause such modification to be notified to the Noteholders as soon as practicable thereafter in accordance with the Conditions.

7.3 Breach

Any breach of or failure to comply with any such terms and conditions as are referred to in Clauses 7.1 (*Waiver*) and 7.2 (*Modifications*) shall constitute a default by the Issuer in the performance or observance of a covenant or provision binding on it under or pursuant to this Trust Deed.

7.4 Substitution

7.4.1 *Procedure*: The Trustee may, without the consent of the Noteholders or the Couponholders, agree to the substitution, in place of the Issuer (or any previous substitute under this Clause), of any (i) holding company of the Issuer, (ii) Subsidiary of the Issuer or (iii) any Successor in Business of the Issuer (hereinafter called the "**Substituted Obligor**") as the principal debtor under this Trust Deed in relation to the Notes and Coupons of any Series if:

- (a) a trust deed is executed or some other written form of undertaking is given by the Substituted Obligor to the Trustee, in form and manner satisfactory to the Trustee, agreeing to be bound by the terms of this Trust Deed, the Notes and the Coupons with any consequential amendments which the Trustee may deem appropriate as fully as if the Substituted Obligor had been named in this Trust Deed and on the Notes and the Coupons as the principal debtor in place of the Issuer (or of any previous substitute under this Clause);
- (b) the Issuer and the Substituted Obligor execute such other deeds, documents and instruments (if any) as the Trustee may require in order that the substitution is fully effective in relation to the obligations of the Substituted Obligor and comply with such other requirements as the Trustee may direct in the interests of the Noteholders and the Couponholders;
- (c) the Trustee is satisfied that (i) the Substituted Obligor has obtained all governmental and regulatory approvals and consents necessary for its

assumption of liability as principal debtor in respect of the Notes and the Coupons in place of the Issuer (or such previous substitute as aforesaid),
(ii) such approvals and consents are at the time of substitution in full force and effect;

(d) without prejudice to the rights or reliance of the Trustee under sub-clause 7.4.4 (*Directors' Certification*) below, the Trustee is satisfied that the substitution is not materially prejudicial to the interests of the Noteholders.

7.4.2 *Change of law:* In connection with any proposed substitution of the Issuer or any previous substitute, the Trustee may, in its absolute discretion and without the consent of the Noteholders or the Couponholders agree to a change of the law from time to time governing the Notes and the Coupons and this Trust Deed **provided that** such change of law, in the opinion of the Trustee, would not be materially prejudicial to the interests of the Noteholders.

7.4.3 *Extra duties:* The Trustee shall be entitled to refuse to approve any Substituted Obligor if, pursuant to the law of the country of incorporation of the Substituted Obligor, the assumption by the Substituted Obligor of its obligations hereunder imposes responsibilities on the Trustee over and above those which have been assumed under this Trust Deed;

7.4.4 *Directors' certification:* If any two directors of the Substituted Obligor certify that immediately prior to the assumption of its obligations as Substituted Obligor under this Trust Deed the Substituted Obligor is solvent after taking account of all prospective and contingent liabilities resulting from its becoming the Substituted Obligor, the Trustee need not have regard to the financial condition, profits or prospects of the Substituted Obligor or compare the same with those of the Issuer (or of any previous substitute under this Clause);

7.4.5 *Release of Issuer:* Any agreement by the Trustee pursuant to sub clause 7.4.1 (*Procedure*) shall, if so expressed, operate to release the Issuer (or such previous substitute as aforesaid) from any or all of its obligations as principal debtor under the Notes and this Trust Deed. Not later than fourteen days after the execution of any such documents as aforesaid and after compliance with the said requirements of the Trustee, the Substituted Obligor shall cause notice thereof to be given to the Noteholders; and

7.4.6 *Completion of substitution:* Upon the execution of such documents and compliance with the said requirements, such substitution shall be binding on all Noteholders and Couponholders and the Substituted Obligor shall be deemed to be named in this Trust Deed and the Notes and the Coupons as the principal debtor in place of the Issuer (or of any previous substitute under this Clause) and this Trust Deed, the Notes and the Coupons shall thereupon be deemed to be amended in such manner as shall be necessary to give effect to the substitution and without prejudice to the generality of the foregoing any references in this

Trust Deed, in the Notes and the Coupons to the Issuer shall be deemed to be references to the Substituted Obligor.

8. ENFORCEMENT

8.1 Legal proceedings

The Trustee may at any time, at its discretion and without further notice, institute such proceedings and/or other steps or action (including lodging any appeal in any proceedings) against the Issuer to recover any amounts due in respect of the Notes which are unpaid or to enforce any of its rights under this Trust Deed or the Conditions but it shall not be bound to take any such proceedings or other steps or action or to take any other action under this Trust Deed unless (a) it shall have been so directed by an Extraordinary Resolution or so requested in writing by the holders of at least one quarter in principal amount of the outstanding Notes and it shall have been indemnified and/or secured and/or prefunded to its satisfaction against all Liabilities to which it may thereby become liable and all costs, charges and expenses which may be incurred by it in connection therewith and **provided that** the Trustee shall not be held liable for the consequence of taking any such action and may take such action without having regard to the effect of such action on individual Noteholders or Couponholders. Only the Trustee may enforce the provisions of the Notes or this Trust Deed and no Noteholder or Couponholder shall be entitled to (i) take any steps or action against the Issuer to enforce the performance of any of the provisions of this Trust Deed or the Notes or (ii) take any other proceedings (including lodging an appeal in any proceedings) in respect of, or concerning the Issuer unless the Trustee, having become bound so to proceed, fails to do so within a reasonable time and such failure is continuing.

The Trustee may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction. Furthermore, the Trustee may also refrain from taking such action if it would otherwise render it liable to any person in that jurisdiction or if, in its opinion based upon such legal advice, it would not have the power to do the relevant thing in that jurisdiction by virtue of any applicable law in that jurisdiction or if it is determined by any court or other competent authority in that jurisdiction that it does not have such power.

8.2 Evidence of default

If the Trustee (or any Noteholder or Couponholder where entitled under this Trust Deed so to do) makes any claim, institutes any legal proceeding or lodges any proof in a winding up or insolvency of the Issuer under this Trust Deed or Under the Notes, proof therein that:

- 8.2.1 as regards any specified Note the Issuer has made default in paying any principal due in respect of such Note shall (unless the contrary be proved) be sufficient evidence that the Issuer has made the like default as regards all other Notes in respect of which a corresponding payment is then due; and

- 8.2.2 as regards any specified Coupon or any specified Registered Note the Issuer has made default in paying any interest due in respect of such Coupon or Registered Notes shall (unless the contrary be proved) be sufficient evidence that the Issuer has made the like default as regards all other Coupons or Registered Notes in respect of which a corresponding payment is then due;

and for the purposes of sub-clauses 8.2.1 and 8.2.2 a payment shall be a "corresponding" payment notwithstanding that it is due in respect of a Note of a different denomination from that in respect of the above specified Note.

9. APPLICATION OF MONEYS

9.1 Application of moneys

All moneys received by the Trustee in respect of the Notes of any Series or amounts payable under this Trust Deed will despite any appropriation of all or part of them by the Issuer (including any moneys which represent principal or interest in respect of Notes or Coupons which have become void under the Conditions) be held by the Trustee on trust to apply them (subject to Clause 9.2 (*Investment of moneys*)):

- 9.1.1 *first*, in or towards payment or satisfaction of those Liabilities incurred by the Trustee in the preparation and execution of the trusts of this Trust Deed (including remuneration of the Trustee);
- 9.1.2 *Secondly*, in or towards retention of an amount which the Trustee considers necessary to pay any amounts that may thereafter become due to be paid under Clause 11 (*Costs and Expenses*) to it or any Appointee, to the extent it considers that moneys received by it thereafter under this Trust Deed may be insufficient and/or may not be received in time to pay such amounts;
- 9.1.3 *thirdly*, in or towards reimbursement *pari passu* and rateably of any amounts paid by any Indemnifying Parties as contemplated by sub-clause 11.1.6 (*Indemnity*), together with interest thereon as provided in sub-clause 11.1.8 (*Payment of amounts due*);
- 9.1.4 *fourthly*, in or towards payment *pari passu* and rateably of all interest remaining unpaid in respect of the Notes of the relevant Series and all principal moneys due on or in respect of the Notes of that Series **provided that** where the Notes of more than one Series have become so due and payable, such monies shall be applied as between the amounts outstanding in respect of the different Series *pari passu* and rateably (except where, in the opinion of the Trustee, such monies are paid in respect of a specific Series or several specific Series, in which event such monies shall be applied solely to the amounts outstanding in respect of that Series or those Series respectively); and
- 9.1.5 *fifthly*, the balance (if any) in payment to the Issuer (without prejudice to, or liability in respect of, any question as to how such payment to the Issuer shall be dealt with or between the Issuer and any other person).

9.2 Investment of moneys

If the amount of the moneys at any time available for payment of principal and interest in respect of the Notes of any Series under Clause 9.1 (*Application of moneys*) shall be less than a sum sufficient to pay at least one tenth of the principal amount of the Notes of such Series then outstanding, the Trustee may, at its discretion, invest such moneys upon some or one of the investments hereinafter authorised with power from time to time, with like discretion, to vary such investments; and such investment with the resulting income thereof may be accumulated until the accumulations together with any other funds for the time being under the control of the Trustee and available for the purpose shall amount to a sum sufficient to pay at least one tenth of the principal amount of the Notes of such Series then outstanding. The accumulated investments shall be applied under Clause 9 (*Application of Moneys*). All interest and other income deriving from such investments shall be applied first in payment or satisfaction of all amounts then due and unpaid under Clause 11 (*Costs and Expenses*) to the Trustee and/or Appointee and otherwise held for the benefit of and paid to the Noteholders or the holders of the related Coupons, as the case may be.

9.3 Authorised Investments

Any moneys which under this Trust Deed may be invested by the Trustee may be invested in the name or under the control of the Trustee in any of the investments for the time being authorised by English law for the investment by trustees of trust moneys or in any other investments, whether similar to those aforesaid or not, which may be selected by the Trustee or by placing the same on deposit in the name or under the control of the Trustee with such bank or other financial institution as the Trustee may think fit and in such currency as the Trustee in its absolute discretion may determine. If that bank or institution is the Trustee or a subsidiary, holding or associated company of the Trustee, it need only account for an amount of interest equal to the amount of interest which would, at the current rates, be payable by it on such a deposit to an independent customer. The Trustee may at any time vary or transfer any of such investments for or into other such investments or convert any moneys so deposited into any other currency and shall not be responsible for any Liability occasioned by reason of any such investments or such deposit whether by depreciation in value, fluctuation in exchange rates or otherwise.

9.4 Payment to Noteholders and Couponholders

The Trustee shall give notice to the Noteholders in accordance with the Conditions of the date fixed for any payment under Clause 9.1 (*Application of moneys*). Any payment to be made in respect of the Notes or Coupons of any Series by the Issuer or the Trustee may be made in the manner provided in the Conditions, the Paying Agency Agreement and this Trust Deed and any payment so made shall be a good discharge to the extent of such payment by the Issuer or the Trustee (as the case may be).

9.5 Production of Notes, Coupons and Note Certificates

Upon any payment under Clause 9.4 (*Payment to Noteholders and Couponholders*) of principal or interest, the Note, Coupon or Note Certificate in respect of which such

payment is made shall, if the Trustee so requires, be produced to the Trustee or the Paying Agent by or through whom such payment is made and the Trustee shall:

9.5.1 in respect of a Bearer Note or Coupon, (a) in the case of part payment, enface or cause such Paying Agent to enface a memorandum of the amount and date of payment thereon (or, in the case of part payment of an NGN Temporary Global Note or an NGN Permanent Global Note cause the Principal Paying Agent to procure that the ICSDs make appropriate entries in their records to reflect such payment) or (b) in the case of payment in full, cause such Bearer Note or Coupon to be surrendered or shall cancel or procure the same to be cancelled and shall certify or procure the certification of such cancellation; and

9.5.2 in respect of a Registered Note, (a) in the case of part payment, require the Registrar to make a notation in the Register of the amount and date of payment (and in the case of a Registered Note held under the New Safekeeping Structure, to procure that the ICSDs make appropriate entries in their records to reflect such payment) or (b) in the case of payment in full, cause the relevant Note Certificate to be surrendered or shall cancel or procure the same to be cancelled and shall certify or procure the certification of such cancellation.

9.6 Holders of Bearer Notes to be treated as holding all Coupons

Wherever in this Trust Deed the Trustee is required or entitled to exercise a power, trust, authority or discretion under this Trust Deed, the Trustee shall, notwithstanding that it may have express notice to the contrary, assume that each holder of Bearer Notes is the holder of all Coupons and Talons appertaining to each Bearer Note of which he is the holder.

10. TERMS OF APPOINTMENT

By way of supplement to the Trustee Acts, it is expressly declared as follows:

10.1 Reliance on Information

10.1.1 *Advice:* The Trustee may in relation to this Trust Deed act on the opinion or advice of or a certificate or any information obtained from any lawyer, banker, valuer, surveyor, broker, auctioneer, accountant or other expert (whether obtained by the Trustee, the Issuer, any Subsidiary or any Agent) and which advice or opinion may be provided on such terms (including as to limitations on liability) as the Trustee may consider in its sole discretion appropriate with regard to advice or opinions of that nature and shall not be responsible for any Liability occasioned by so acting; any such opinion, advice, certificate or information may be sent or obtained by letter, email, telegram, telex, cablegram or facsimile transmission and the Trustee shall not be liable for acting on any opinion, advice, certificate or information purporting to be so conveyed although the same shall contain some error or shall not be authentic;

10.1.2 *Certificate of Directors or Authorised Signatories:* the Trustee may call for and shall be at liberty to accept a certificate signed by two Officers as to any fact or

- 10.1.3 *Resolution or direction of Noteholders:* the Trustee shall not be responsible for acting upon (a) any Extraordinary Resolution in writing or any Extraordinary Resolution or other resolution purporting to have been passed at any meeting of the Noteholders in respect whereof minutes have been made and signed or (b) any direction or request of a specified percentage of Noteholders, even though subsequent to it acting it may be found that there was some defect in the constitution of the meeting or the passing of the resolution or the making of the directions or (in the case of an Extraordinary Resolution in writing or a direction or a request) it was not signed by the requisite number of Noteholders or (in the case of an Extraordinary Resolution passed by electronic consents received through the relevant Clearing System(s)) it was not approved by the requisite number of Noteholders that for any reason the resolution, direction or request purporting to be a Written Resolution or to have been passed at any meeting of the Noteholder or the making of the directions was not valid or binding upon the Noteholders and the relevant Couponholders;
- 10.1.4 *Reliance on certification of clearing system:* the Trustee may call for any certificate or other document issued by Euroclear, Clearstream, Luxembourg or any other relevant clearing system in relation to any matter. Any such certificate or other document shall, in the absence of manifest error, be conclusive and binding for all purposes. 11.1.3 *Value added tax:* The Issuer shall in addition pay to the Trustee an amount equal to the amount of any value added tax or similar tax chargeable in respect of its remuneration under this Trust Deed.

- (a) (in a case to which sub clause 11.1.1 (*Normal remuneration*) applies) upon the amount of the remuneration; or
- (b) (in a case to which sub clause 11.1.2 (*Extra remuneration*) applies) upon whether such duties shall be of an exceptional nature or otherwise outside the scope of the normal duties of the Trustee under this Trust Deed, or upon such additional remuneration;

such matters shall be determined by a professional person or by an investment bank (acting as an expert and not as an arbitrator) selected by the Trustee and approved by the Issuer or, failing such approval, nominated (on the application of the Trustee) by the President for the time being of The Law Society of England and Wales (the expenses involved in such nomination and the fees of such professional person or investment bank being payable by the Issuer) and the determination of any such investment bank shall be final and binding upon the Trustee and the Issuer.

- 11.1.5 *Expenses*: The Issuer shall also pay or discharge all Liabilities incurred by the Trustee in relation to the preparation and execution of, the exercise of its powers and the performance of its duties under, and in any other manner in relation to, this Trust Deed, including but not limited to legal and travelling expenses and any stamp, issue, registration, documentary and other taxes or duties paid or payable by the Trustee in connection with any action taken or contemplated by or on behalf of the Trustee for enforcing, or resolving any doubt concerning, or for any other purpose in relation to, this Trust Deed.
- 11.1.6 *Indemnity*: The Issuer shall indemnify the Trustee and every Appointee (a) in respect of all Liabilities incurred by it or by any Appointee or other person appointed by it to whom any trust, power, authority or discretion may be delegated by it in the execution or purported execution of the trusts, powers, authorities or discretions vested in it by this Trust Deed and (b) against all Liabilities in respect of any matter or thing done or omitted in any way relating to this Trust Deed **provided that** it is expressly stated that Clause 10.5 (*Trustee Liability*) shall apply in relation to these provisions.
- 11.1.7 *Consequential loss*: Notwithstanding any provision of this Trust Deed to the contrary, the Trustee shall not in any event be liable for (a) loss of profit, loss of business, loss of goodwill, loss of opportunity, whether direct or indirect; and (b) special, indirect, punitive or consequential loss or damage of any kind whatsoever, whether or not foreseeable, whether or not such party can reasonably be regarded as having assumed responsibility at the time this Trust Deed is entered into, even if such party has been advised of the likelihood of such loss or damage, unless the claim for loss or damage is made in respect of fraud on the part of the party.
- 11.1.8 *Payment of amounts due*: All amounts due and payable pursuant to sub clauses 11.1.5 (*Expenses*) and 11.1.6 (*Indemnity*) shall be payable by the Issuer on the date specified in a demand by the Trustee; the rate of interest applicable to such

payments shall be three per cent. per annum above the Trustee's cost of funds and interest shall accrue:

- (b) in the case of payments made by the Trustee on or after the date of the demand, from the date specified in such demand, which date shall not be a date earlier than the date such payments are made.

All remuneration payable to the Trustee shall carry interest at the rate specified in this sub clause 11.1.8 from the due date thereof. A certificate from the Trustee as to the Trustee's cost of funds on any particular date or during any particular period shall be conclusive and binding on the Issuer.

11.1.9 Where any amount which would otherwise be payable by the Issuer under sub-clause 11.1.8 (*Payments of amounts due*) has instead been paid by any person or persons other than the Issuer (each, an "**Indemnifying Party**"), the Issuer shall pay to the Trustee an equal amount for the purpose of enabling the Trustee to reimburse the Indemnifying Parties.

11.1.10 *Apportionment of expenses*: The Trustee shall apportion the costs, charges, expenses and Liabilities incurred by the Trustee in the preparation and execution of the trusts of this Trust Deed (including remuneration of the Trustee) between the several Series of Notes in such manner and in such amounts as it shall, in its absolute discretion, consider appropriate.

11.1.12 *Payments*: All payments to be made by the Issuer to the Trustee under this Trust Deed shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within any relevant jurisdiction or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. In that event, the Issuer shall pay such additional amounts as would have been received by it had no such withholding or deduction been required.

11.2 Stamp duties

The Issuer will pay all stamp duties, registration taxes, capital duties and other similar duties or taxes (if any) payable on or in connection with (a) the constitution and issue of the Notes, (b) the initial delivery of the Notes, (c) any action taken by the Trustee (or any Noteholder or Couponholder where permitted or required under this Trust Deed so to do) to enforce the provisions of the Notes or this Trust Deed and (d) the execution of this

Trust Deed. If the Trustee (or any Noteholder or Couponholder where permitted under this Trust Deed so to do) shall take any proceedings against the Issuer in any other jurisdiction and if for the purpose of any such proceedings this Trust Deed or any Notes or Note Certificate is taken into any such jurisdiction and any stamp duties or other duties or taxes become payable thereon in any such jurisdiction, the Issuer will pay (or reimburse the person making payment of) such stamp duties or other duties or taxes (including penalties).

11.3 Exchange rate indemnity

11.3.1 *Currency of Account and Payment:* the Contractual Currency is the sole currency of account and payment for all sums payable by the Issuer under or in connection with this Trust Deed, the Notes and the Coupons including damages;

11.3.2 *Extent of Discharge:* An amount received or recovered in a currency other than the Contractual Currency (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding up or dissolution of the Issuer) by the Trustee or any Noteholder or Couponholder in respect of any sum expressed to be due to it from the Issuer will only discharge the Issuer to the extent of the Contractual Currency amount which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so); and

11.3.3 *Indemnity:* If that Contractual Currency amount is less than the Contractual Currency amount expressed to be due to the recipient under this Trust Deed or the Notes or the Coupons, the Issuer will indemnify it against any Liability sustained by it as a result. In any event, the Issuer will indemnify the recipient against the cost of making any such purchase.

11.4 Indemnities separate

The indemnities in this Trust Deed constitute separate and independent obligations from the other obligations in this Clause 11, will give rise to separate and independent causes of action, will apply irrespective of any indulgence granted by the Trustee and/or any Noteholder or Couponholder and will continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due under this Trust Deed or the Notes or the Coupons or any other judgment or order. Any such Liability as referred to in sub clause 11.3.3 (*Indemnity*) shall be deemed to constitute a Liability suffered by the Trustee, the Noteholders and the Couponholders and no proof or evidence of any actual Liability shall be required by the Issuer or its liquidator or liquidators.

12. APPOINTMENT AND RETIREMENT

12.1 Appointment of Trustees

The power of appointing new trustees of this Trust Deed shall be vested in the Issuer but no person shall be appointed who shall not previously have been approved by an Extraordinary Resolution of the Noteholders. A trust corporation may be appointed sole trustee hereof but subject thereto there shall be at least two trustees hereof one at least of which shall be a trust corporation. Any appointment of a new trustee hereof shall as soon as practicable thereafter be notified by the Issuer to the Agents and the Noteholders. The Noteholders shall together have the power, exercisable by Extraordinary Resolution, to remove any trustee or trustees for the time being hereof. The removal of any trustee shall not become effective unless there remains a trustee hereof (being a trust corporation) in office after such removal.

12.2 Co trustees

Notwithstanding the provisions of Clause 12.1 (*Appointment of Trustees*), the Trustee may, upon giving prior notice to the Issuer but without the consent of the Issuer or the Noteholders or the Couponholders, appoint any person established or resident in any jurisdiction (whether a trust corporation or not) to act either as a separate trustee or as a co trustee jointly with the Trustee:

12.2.1 if the Trustee considers such appointment to be in the interests of the Noteholders or the Couponholders; or

12.2.2 for the purposes of conforming to any legal requirements, restrictions or conditions in any jurisdiction in which any particular act or acts are to be performed; or

12.2.3 for the purposes of obtaining a judgment in any jurisdiction or the enforcement in any jurisdiction either of a judgment already obtained or of this Trust Deed.

12.3 Attorneys

The Issuer hereby irrevocably appoints the Trustee to be its attorney in its name and on its behalf to execute any such instrument of appointment. Such a person shall (subject always to the provisions of this Trust Deed) have such trusts, powers, authorities and discretions (not exceeding those conferred on the Trustee by this Trust Deed) and such duties and obligations as shall be conferred on such person or imposed by the instrument of appointment. The Trustee shall have power in like manner to remove any such person. Such proper remuneration as the Trustee may pay to any such person, together with any attributable Liabilities incurred by it in performing its function as such separate trustee or co trustee, shall for the purposes of this Trust Deed be treated as Liabilities incurred by the Trustee.

12.4 Retirement of Trustees

Any Trustee for the time being of this Trust Deed may retire at any time upon giving not less than three calendar months' prior notice in writing to the Issuer without assigning any reason therefor and without being responsible for any Liabilities occasioned by such retirement. The Noteholders may by Extraordinary Resolution remove any Trustee or

Trustees for the time being of this Trust Deed. The retirement or removal of any Trustee shall not become effective unless there remains a trustee hereof (being a trust corporation) in office after such retirement or removal. The Issuer hereby covenants that in the event of the only trustee hereof which is a trust corporation giving notice under this Clause or being removed by Extraordinary Resolution it shall use its best endeavours to procure a new trustee, being a trust corporation, to be appointed as soon as reasonably practicable thereafter and if the Issuer has not procured the appointment of a new trustee within 30 days of the expiry of such notice or Extraordinary Resolution referred to in this Clause 12.4, the Trustee shall be entitled to appoint a Trust Corporation as trustee of this Trust Deed, but no such appointment shall take effect unless previously approved by an Extraordinary Resolution.

12.5 Competence of a majority of Trustees

Whenever there shall be more than two trustees hereof the majority of such trustees shall (provided such majority includes a trust corporation) be competent to execute and exercise all the trusts, powers, authorities and discretions vested by this Trust Deed in the Trustee generally.

12.6 Powers additional

The powers conferred by this Trust Deed upon the Trustee shall be in addition to any powers which may from time to time be vested in it by general law or as the holder of any of the Notes or the Coupons.

12.7 Merger

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Clause, without the execution or filing of any paper or any further act on the part of any of the parties hereto.

- (e) *Ownership*: The Holder of any Note or Coupon shall (except as otherwise required by law) be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any other interest therein, any writing thereon or, in the case of Registered Notes, on the Note Certificate relating thereto (other than the endorsed form of transfer) or any notice of any previous loss or theft thereof) and no Person shall be liable for so treating such Holder. No person shall have any right to enforce any term or condition of any Note under the Contracts (Rights of Third Parties) Act 1999.
- (f) *Transfers of Registered Notes*: Subject to paragraphs (i) (Closed periods) and (j) (Regulations concerning transfers and registration) below, a Registered Note may be transferred upon surrender of the relevant Note Certificate, with the endorsed form of transfer duly completed, at the Specified Office of the Registrar or any Transfer Agent, together with such evidence as the Registrar or (as the case may be) such Transfer Agent may reasonably require to prove the title of the transferor and the authority of the individuals who have executed the form of transfer; provided, however, that a Registered Note may not be transferred unless the principal amount of Registered Notes transferred and (where not all of the Registered Notes held by a Holder are being transferred) the principal amount of the balance of Registered Notes not transferred are Specified Denominations. Where not all the Registered Notes represented by the surrendered Note

Certificate are the subject of the transfer, a new Note Certificate in respect of the balance of the Registered Notes will be issued to the transferor.

- (g) *Registration and delivery of Note Certificates:* Within five business days of the surrender of a Note Certificate in accordance with paragraph (f) (*Transfers of Registered Notes*) above, the Registrar will register the transfer in question and deliver a new Note Certificate of a like principal amount to the Registered Notes transferred to each relevant Holder at its Specified Office or (as the case may be) the Specified Office of any Transfer Agent or (at the request and risk of any such relevant Holder) by uninsured first class mail (airmail if overseas) to the address specified for the purpose by such relevant Holder. In this paragraph, "business day" means a day on which commercial banks are open for general business (including dealings in foreign currencies) in the city where the Registrar or (as the case may be) the relevant Transfer Agent has its Specified Office.
- (h) *No charge:* The transfer of a Registered Note will be effected without charge by or on behalf of the Issuer or the Registrar or any Transfer Agent but against such indemnity as the Registrar or (as the case may be) such Transfer Agent may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such transfer.
- (i) *Closed periods:* Noteholders may not require transfers to be registered during the period of 15 days ending on the due date for any payment of principal or interest in respect of the Registered Notes.
- (j) *Regulations concerning transfers and registration:* All transfers of Registered Notes and entries on the Register are subject to the detailed regulations concerning the transfer of Registered Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuer with the prior written approval of the Registrar. A copy of the current regulations will be mailed (free of charge) by the Registrar to any Noteholder who requests in writing a copy of such regulations.

4. Status

The Notes constitute direct, general and unconditional obligations of the Issuer which will at all times rank *pari passu* among themselves and at least *pari passu* with all other present and future unsecured obligations of the Issuer, save for such obligations as may be preferred by provisions of law that are both mandatory and of general application.

5. Negative Pledge

So long as any Note remains outstanding, none of the Issuer or any Material Subsidiary shall create or permit to subsist any Security Interest upon the whole or any part of its present or future undertaking, assets or revenues (including uncalled capital) to secure any Relevant Indebtedness or Guarantee of Relevant Indebtedness without (a) at the same time or prior thereto securing the Notes equally and rateably therewith to the satisfaction of the Trustee or (b) providing such other security for the Notes as the Trustee may in its absolute discretion consider to be not materially less beneficial to the interests of the Noteholders or as may be approved by an Extraordinary Resolution of Noteholders.

6. Fixed Rate Note Provisions

- (a) *Application:* This Condition 6 is applicable to the Notes only if the Fixed Rate Note Provisions are specified in the relevant Final Terms as being applicable.
- (b) *Accrual of interest:* The Notes bear interest from the Interest Commencement Date at the Rate of Interest payable in arrear on each Interest Payment Date, subject as provided in Condition 10 (*Payments - Bearer Notes*) and Condition 11 (*Payments - Registered Notes*). Each Note will cease to bear interest from the due date for final redemption unless, upon due presentation, payment of the Redemption Amount is improperly withheld or refused, in which case it will continue to bear interest in accordance with this Condition 6 (as well after as before judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder and (ii) the day which is seven days after the Principal Paying Agent or the Trustee has notified the Noteholders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).
- (c) *Fixed Coupon Amount or Broken Amount:* The amount of interest payable per Calculation Amount for any Interest Period shall be the relevant Fixed Coupon Amount or Broken Amount (if applicable).
- (d) *Calculation of interest amount:* The amount of interest payable in respect of each Note for any period for which a Fixed Coupon Amount or Broken Amount is not specified shall be calculated by applying the Rate of Interest to the Calculation Amount, multiplying the product by the relevant Day Count Fraction, rounding the resulting figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards) and multiplying such rounded figure by a fraction equal to the Specified Denomination of such Note divided by the Calculation Amount. For this purpose a "sub-unit" means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means one cent.

7. Floating Rate Note Provisions

- (a) *Application:* This Condition 7 is applicable to the Notes only if the Floating Rate Note Provisions are specified in the relevant Final Terms as being applicable.
- (b) *Accrual of interest:* The Notes bear interest from the Interest Commencement Date at the Rate of Interest payable in arrear on each Interest Payment Date, subject as provided in Condition 10 (*Payments - Bearer Notes*) and Condition 11 (*Payments - Registered Notes*). Each Note will cease to bear interest from the due date for final redemption unless, upon due presentation, payment of the Redemption Amount is improperly withheld or refused, in which case it will continue to bear interest in accordance with this Condition 7 (as well after as before judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder and (ii) the day which is seven days after the Principal Paying Agent has notified the Noteholders that it has received all sums due in respect of the

Notes up to such seventh day (except to the extent that there is any subsequent default in payment).

(c) Screen Rate Determination: If Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate(s) of Interest is/are to be determined, the Rate of Interest applicable to the Notes for each Interest Period will be determined by the Calculation Agent on the following basis:

- (i) if the Reference Rate is a composite quotation or customarily supplied by one entity, the Calculation Agent will determine the Reference Rate which appears on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (ii) if Linear Interpolation is specified as applicable in respect of an Interest Period in the relevant Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Calculation Agent by straight-line linear interpolation by reference to two rates which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date, where:
 - (A) one rate shall be determined as if the relevant Interest Period were the period of time for which rates are available next shorter than the length of the relevant Interest Period; and
 - (B) the other rate shall be determined as if the relevant Interest Period were the period of time for which rates are available next longer than the length of the relevant Interest Period,

provided, however, that if no rate is available for a period of time next shorter or, as the case may be, next longer than the length of the relevant Interest Period, then the Calculation Agent shall determine such rate at such time and by reference to such sources as it determines appropriate;

- (iii) in any other case, the Calculation Agent will determine the arithmetic mean of the Reference Rates which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (iv) if, in the case of (i) above, such rate does not appear on that page or, in the case of (iii) above, fewer than two such rates appear on that page or if, in either case, the Relevant Screen Page is unavailable, the Calculation Agent will:
 - (A) request the principal Relevant Financial Centre office of each of the Reference Banks to provide a quotation of the Reference Rate at approximately the Relevant Time on the Interest Determination Date to prime banks in the Relevant Financial Centre interbank market in an amount that is representative for a single transaction in that market at that time; and

- (B) determine the arithmetic mean of such quotations; and
- (v) if fewer than two such quotations are provided as requested, the Calculation Agent will determine the arithmetic mean of the rates (being the nearest to the Reference Rate, as determined by the Calculation Agent) quoted by major banks in the Principal Financial Centre of the Specified Currency, selected by the Calculation Agent, at approximately 11.00 a.m. (local time in the Principal Financial Centre of the Specified Currency) on the first day of the relevant Interest Period for loans in the Specified Currency to leading European banks for a period equal to the relevant Interest Period and in an amount that is representative for a single transaction in that market at that time,

and the Rate of Interest for such Interest Period shall be the sum of the Margin and the rate or (as the case may be) the arithmetic mean so determined; **provided, however, that** if the Calculation Agent is unable to determine a rate or (as the case may be) an arithmetic mean in accordance with the above provisions in relation to any Interest Period, the Rate of Interest applicable to the Notes during such Interest Period will be the sum of the Margin and the rate or (as the case may be) the arithmetic mean last determined in relation to the Notes in respect of a preceding Interest Period (until such time as an alternative method for determining the Rate of Interest shall be determined by the Issuer and a financial adviser (as appointed by the Issuer after consultation with the Trustee) with such determination being notified in writing by the Issuer to the Trustee and the Noteholders) (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Period).

- (d) *ISDA Determination*: If ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate(s) of Interest is/are to be determined, the Rate of Interest applicable to the Notes for each Interest Period will be the sum of the Margin and the relevant ISDA Rate where "ISDA Rate" in relation to any Interest Period means a rate equal to the Floating Rate (as defined in the ISDA Definitions) that would be determined by the Calculation Agent under an interest rate swap transaction if the Calculation Agent were acting as Calculation Agent for that interest rate swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:
 - (i) the Floating Rate Option (as defined in the ISDA Definitions) is as specified in the relevant Final Terms;
 - (ii) the Designated Maturity (as defined in the ISDA Definitions) is a period specified in the relevant Final Terms;
 - (iii) the relevant Reset Date (as defined in the ISDA Definitions) is either (A) if the relevant Floating Rate Option is based on LIBOR for a currency, the first day of that Interest Period or (B) in any other case, as specified in the relevant Final Terms; and

(iv) if Linear Interpolation is specified as applicable in respect of an Interest Period in the relevant Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Calculation Agent by straight-line linear interpolation by reference to two rates based on the relevant Floating Rate Option, where:

(A) one rate shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period; and

(B) the other rate shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period,

provided, however, that if there is no rate available for a period of time next shorter than the length of the relevant Interest Period or, as the case may be, next longer than the length of the relevant Interest Period, then the Calculation Agent shall determine such rate at such time and by reference to such sources as it determines appropriate.

(e) *Maximum or Minimum Rate of Interest:* If any Maximum Rate of Interest or Minimum Rate of Interest is specified in the relevant Final Terms, then the Rate of Interest shall in no event be greater than the maximum or be less than the minimum so specified.

(f) *Calculation of Interest Amount:* The Calculation Agent will, as soon as practicable after the time at which the Rate of Interest is to be determined in relation to each Interest Period, calculate the Interest Amount payable in respect of each Note for such Interest Period. The Interest Amount will be calculated by applying the Rate of Interest for such Interest Period to the Calculation Amount, multiplying the product by the relevant Day Count Fraction, rounding the resulting figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards) and multiplying such rounded figure by a fraction equal to the Specified Denomination of the relevant Note divided by the Calculation Amount. For this purpose a "sub-unit" means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means one cent.

(g) *Publication:* The Calculation Agent will cause each Rate of Interest and Interest Amount determined by it, together with the relevant Interest Payment Date, and any other amount(s) required to be determined by it together with any relevant payment date(s) to be notified to the Paying Agents and each competent authority, stock exchange and/or quotation system (if any) by which the Notes have then been admitted to listing, trading and/or quotation as soon as practicable after such determination but (in the case of each Rate of Interest, Interest Amount and Interest Payment Date) in any event not later than the first day of the relevant Interest Period. Notice thereof shall also promptly be given to the Noteholders. The Calculation Agent will be entitled to recalculate any Interest Amount (on the basis of the foregoing provisions) without notice in the event of an extension or shortening of the relevant Interest Period. If the Calculation Amount is less than the minimum Specified Denomination the Calculation Agent shall not be obliged to publish

each Interest Amount but instead may publish only the Calculation Amount and the Interest Amount in respect of a Note having the minimum Specified Denomination.

- (h) *Benchmark Replacement*: Notwithstanding the foregoing provisions of this Condition 7, if (a) the Issuer (in consultation, to the extent practicable, with the Calculation Agent) determines that a Benchmark Event (as defined below) has occurred or (b) the Issuer considers that there may be a Successor Rate (as defined below), when any Rate of Interest (or the relevant component part thereof) remains to be determined by reference to the relevant Reference Rate then the following provisions shall apply:
- (i) the Issuer shall use reasonable endeavours to appoint, as soon as reasonably practicable, an Independent Adviser (as defined below) to determine, no later than 10 days prior to the relevant Interest Determination Date relating to the next succeeding Interest Period (the "**IA Determination Cut-off Date**"), a Successor Rate (as defined below) or, alternatively, if there is no Successor Rate, an Alternative Reference Rate (as defined below) for purposes of determining the Rate of Interest (or the relevant component part thereof) applicable to the Notes;
 - (ii) if a Successor Rate or, failing which, an Alternative Reference Rate (as applicable) is determined in accordance with the preceding provisions, such Successor Rate or, failing which, such Alternative Reference Rate (as applicable) shall be the Reference Rate for each of the future Interest Periods (subject to the subsequent operation of, and to adjustment as provided in, this Condition 7(h)(ii));
 - (iii) if the Independent Adviser, following consultation with the Issuer, determines a Successor Rate or, failing which, an Alternative Reference Rate (as applicable) in accordance with the above provisions, the Independent Adviser, following consultation with the Issuer, may also specify changes to these Conditions, including but not limited to the Day Count Fraction, Relevant Screen Page, Business Day Convention, Business Day, Interest Determination Date, and/or the definition of Reference Rate applicable to the Notes, and the method for determining the fallback rate in relation to the Notes, in order to follow market practice in relation to such Successor Rate or such Alternative Reference Rate (as applicable). If the Independent Adviser (in consultation with the Issuer), determines that an Adjustment Spread (as defined below) is required to be applied to the relevant Successor Rate or the relevant Alternative Reference Rate (as applicable) and determines the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Adjustment Spread shall be applied to the relevant Successor Rate or the relevant Alternative Reference Rate (as applicable). If the Independent Adviser is unable to determine the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Successor Rate or Alternative Reference Rate (as applicable) will apply without an Adjustment Spread. For the avoidance of doubt and subject as provided in paragraph (iv) below, the Trustee and Principal Paying

Agent shall, at the direction and expense of the Issuer, without the requirement for any consent or approval of the Noteholders, be obliged to use reasonable endeavours to effect such amendments to the Trust Deed (including, inter alia, by the execution of a deed supplemental to or amending the Trust Deed), the Agency Agreement and these Conditions as may be specified by the Independent Adviser following consultation with the Issuer in order to give effect to this Condition 7(h)(iii) (such amendments, the "**Benchmark Amendments**") and the Trustee and the Principal Paying Agent shall not be liable to any party for any consequences thereof;

- (iv) neither the Trustee nor the Principal Paying Agent shall be required to effect any such Benchmark Amendments if the same would impose, in the Trustee's or, as the case may be, the Principal Paying Agent's opinion, more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce, or amend its rights and/or the protective provisions afforded to it. For the avoidance of doubt, no Noteholder consent or approval shall be required in connection with effecting the Benchmark Amendments or such other changes, including for the execution of any documents, amendments or other steps by the Issuer, the Trustee or the Principal Paying Agent (if required);
- (v) prior to any such Benchmark Amendments taking effect, the Issuer shall provide a certificate signed by two Officers to the Trustee and the Principal Paying Agent confirming, in the Issuer's reasonable opinion (following consultation with the Independent Adviser), (i) that a Benchmark Event has occurred, (ii) the Successor Rate or Alternative Reference Rate (as applicable), (iii) where applicable, any Adjustment Spread determined in accordance with this Condition 7(h), (iv) where applicable, the terms of any Benchmark Amendments determined in accordance with this Condition 7(h) and (v) certifying that such Benchmark Amendments are necessary to give effect to any application of this Condition 7(h) and the Trustee and the Principal Paying Agent shall be entitled to rely on such certificate without further enquiry or liability to any person. For the avoidance of doubt, each of the Trustee and the Principal Paying Agent shall not be liable to the Noteholders or any other person for so acting or relying on such certificate, irrespective of whether any such modification is or may be materially prejudicial to the interests of any such person. The Successor Rate or Alternative Reference Rate (as applicable) or where applicable, any Adjustment Spread and any Benchmark Amendments, without prejudice to the Trustee's and the Principal Paying Agent's ability to rely on such certificate (as aforesaid), will be binding on the Issuer, the Trustee, the Paying Agents, the Noteholders and the Couponholders;
- (vi) the Issuer shall promptly, following the determination of any Successor Rate or Alternative Reference Rate (as applicable) and the specific terms of any amendments to these Conditions, the Agency Agreement and/or

the Trust Deed, give notice thereof to the Trustee, the Principal Paying Agent and, in accordance with Condition 20 (*Notices*), the Noteholders;

- (vii) if (i) a Successor Rate or an Alternative Reference Rate is not determined by an Independent Adviser in accordance with the above provisions prior to the relevant IA Determination Cut-off Date or (ii) the Issuer is unable to appoint an Independent Adviser in accordance with Condition 7(h)(iii), then the Rate of Interest (or the relevant component part thereof) for the next Interest Period shall be equal to the Rate of Interest last determined in relation to the Notes in respect of the preceding Interest Period by reference to the provisions of Condition 7(c) or this Condition 7(h), as applicable (or alternatively, if there has not been a First Interest Payment Date, the Rate of Interest (or the relevant component thereof) for the first Interest Period shall be equal to the Rate of Interest determined by reference to the provisions of Condition 7(c)) (subject, where applicable, to substituting the Margin that applied to such preceding Interest Period for the Margin that is to be applied to the relevant Interest Period); for the avoidance of doubt, the proviso in this sub-paragraph (v) shall apply to the relevant Interest Period only and any subsequent Interest Periods are subject to the subsequent operation of and to adjustment as provided in, this Condition 7(h); and
- (viii) an Independent Adviser (in the absence of bad faith or fraud) shall have no liability whatsoever to the Issuer, the Trustee, the Principal Paying Agent, the Calculation Agent or the Noteholders for any determination made by it pursuant to this Condition 7(h).

For the purposes of this Condition 7(h):

"Adjustment Spread" means either (a) a spread (which may be positive or negative) or (b) a formula or methodology for calculating a spread, which the relevant Independent Adviser (in consultation with the Issuer) determines is required to be applied to the relevant Successor Rate or the relevant Alternative Reference Rate (as applicable) and is the spread, formula or methodology which:

- (i) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Reference Rate with such Successor Rate by any Relevant Nominating Body (as defined below); or
- (ii) in the case of a Successor Rate for which no such recommendation has been made or in the case of an Alternative Reference Rate, the Independent Adviser (in consultation with the Issuer) determines is recognised or acknowledged as being in customary market usage in international debt capital markets transactions which reference the Reference Rate, where such rate has been replaced by such Successor Rate or such Alternative Reference Rate (as applicable); or

- (iii) if no such customary market usage is recognised or acknowledged, the Independent Adviser (in consultation with the Issuer) in its discretion, determines (acting in good faith and in a commercially reasonable manner) to be appropriate in order to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as applicable) to Noteholders and relevant Couponholders as a result of the replacement of the Reference Rate with the relevant Successor Rate or the relevant Alternative Reference Rate (as applicable);

"Alternative Reference Rate" means the rate that the Independent Adviser (in consultation with the Issuer) determines has replaced the relevant Reference Rate in customary market usage in the international debt capital markets for the purposes of determining rates of interest (or the relevant component thereof) in respect of bonds denominated in the Specified Currency and with an interest period of a comparable duration to the relevant Interest Period, or, if the Independent Adviser (in consultation with the Issuer) determines that there is no such rate, such other rate as the Independent Adviser (in consultation with the Issuer) determines in its sole discretion is most comparable to the relevant Reference Rate;

"Benchmark Event" means with respect to a Reference Rate:

- (i) the relevant Reference Rate has ceased to be published on the Relevant Screen Page as a result of such benchmark ceasing to be calculated or administered;
- (ii) a public statement by the administrator of the relevant Reference Rate that it will cease publishing the relevant Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the relevant Reference Rate);
- (iii) a public statement by the supervisor of the administrator of the relevant Reference Rate that the relevant Reference Rate has been permanently or indefinitely discontinued;
- (iv) a public statement by the supervisor of the administrator of the relevant Reference Rate that means the relevant Reference Rate will be prohibited from being used or that its use will be subject to restrictions or adverse consequences, in each case on or before a specified date;
- (v) a public statement by the supervisor of the administrator of the relevant Reference Rate that, in the view of such supervisor, such Reference Rate is no longer representative of an underlying market or the methodology to calculate such Reference Rate has materially changed; or
- (vi) it has or will prior to the next Interest Determination Date become unlawful for the Calculation Agent, the Issuer or any other party to calculate any payments due to be made to any Noteholder using the

relevant Reference Rate (including, without limitation, under Regulation (EU) No. 2016/1011, if applicable);

"Independent Adviser" means an independent financial institution of international repute or other independent financial adviser of recognised standing with experience in the international debt capital markets, in each case appointed by the Issuer at its own expense;

"Relevant Nominating Body" means, in respect of a Reference Rate:

- (i) the central bank, reserve bank, monetary authority or any similar institution for the currency to which the reference rate relates, or any other central bank or other supervisory authority which is responsible for supervising the administrator of the reference rate; or
- (ii) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (a) the central bank, reserve bank, monetary authority or any similar institution for the currency to which the reference rate relates, (b) any other central bank or other supervisory authority which is responsible for supervising the administrator of the reference rate, (c) a group of the aforementioned central banks or other supervisory authorities, (d) the International Swaps and Derivatives Association, Inc. or any part thereof, or (e) the Financial Stability Board or any part thereof; and

"Successor Rate" means the rate that the Independent Adviser (in consultation with the Issuer) determines is a successor to or replacement of the Reference Rate which is formally recommended by any Relevant Nominating Body.

8. Zero Coupon Note Provisions

- (a) *Application:* This Condition 8 is applicable to the Notes only if the Zero Coupon Note Provisions are specified in the relevant Final Terms as being applicable.
- (b) *Late payment on Zero Coupon Notes:* If the Redemption Amount payable in respect of any Zero Coupon Note is improperly withheld or refused, the Redemption Amount shall thereafter be an amount equal to the sum of:
 - (i) the Reference Price; and
 - (ii) the product of the Accrual Yield (compounded annually) being applied to the Reference Price on the basis of the relevant Day Count Fraction from (and including) the Issue Date to (but excluding) whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder and (ii) the day which is seven days after the Principal Paying Agent has notified the Noteholders that it has received all sums due in respect of the Notes up

to such seventh day (except to the extent that there is any subsequent default in payment).

9. Redemption and Purchase

- (a) *Scheduled redemption*: Unless previously redeemed, or purchased and cancelled, the Notes will be redeemed at their Final Redemption Amount on the Maturity Date, subject as provided in Condition 10 (*Payments - Bearer Notes*) and Condition 11 (*Payments - Registered Notes*).
- (b) *Redemption for tax reasons*: The Notes may be redeemed at the option of the Issuer in whole, but not in part:
 - (i) at any time (unless the Floating Rate Note Provisions are specified in the relevant Final Terms as being applicable); or
 - (ii) on any Interest Payment Date (if the Floating Rate Note Provisions are specified in the relevant Final Terms as being applicable),

on giving not less than 30 nor more than 60 days' notice to the Noteholders, or such other period(s) as may be specified in the relevant final terms, (which notice shall be irrevocable), at their Early Redemption Amount (Tax), together with interest accrued (if any) to the date fixed for redemption, if, immediately before giving such notice, the Issuer satisfies the Trustee that the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 12 (*Taxation*) as a result of any change in, or amendment to, the laws or regulations of a Tax Jurisdiction or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date of issue of the first Tranche of the Notes; and (2) such obligation cannot be avoided by the Issuer taking reasonable measures available to it,

provided, however, that no such notice of redemption shall be given earlier than:

- (A) where the Notes may be redeemed at any time, 90 days (or such other period as may be specified in the relevant Final Terms) prior to the earliest date on which the Issuer would be obliged to pay such additional amounts if a payment in respect of the Notes were then due; or
- (B) where the Notes may be redeemed only on an Interest Payment Date, 60 days (or such other period as may be specified in the relevant Final Terms) prior to the Interest Payment Date occurring immediately before the earliest date on which the Issuer would be obliged to pay such additional amounts if a payment in respect of the Notes were then due.

Prior to the publication of any notice of redemption pursuant to this paragraph, the Issuer shall deliver or procure that there is delivered to the Trustee (i) a certificate signed by two Officers stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions to

the right of the Issuer so to redeem have occurred and (ii) an opinion of independent legal or tax advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of the relevant change or amendment as referred to above.

The Trustee shall be entitled to accept such certificate as sufficient evidence of the satisfaction of the circumstances set out above, in which event it shall be conclusive and binding on the Noteholders and Couponholders.

Upon the expiry of any such notice as is referred to in this Condition 9(b), the Issuer shall be bound to redeem the Notes in accordance with this Condition 9(b).

(c)

(A) *Redemption at the option of the Issuer:* If the Call Option is specified in the relevant Final Terms as being applicable, the Notes may be redeemed at the option of the Issuer in whole or, if so specified in the relevant Final Terms, in part on any Optional Redemption Date (Call) at the relevant Optional Redemption Amount (Call) on the Issuer's giving not less than 30 nor more than 60 days' notice to the Noteholders, or such other period(s) as may be specified in the relevant Final Terms (which notice shall be irrevocable and shall oblige the Issuer to redeem the Notes or, as the case may be, the Notes specified in such notice on the relevant Optional Redemption Date (Call) at the relevant Optional Redemption Amount (Call) plus accrued interest (if any) to such date).

(B) If the Clean-up Call Option is specified in the relevant Final Terms as being applicable, if, at any time, 80 per cent. or more in principal amount of the Notes originally issued (and, for these purposes, any further notes issued pursuant to Condition 19 so as to form a single series with the Notes shall be deemed to have been originally issued) have been redeemed or purchased by the Issuer or any of its Subsidiaries in accordance with these Conditions, the Issuer may, on giving not less than 30 nor more than 60 days' notice to the Noteholders (which notice shall be irrevocable and shall specify the date for redemption or purchase), redeem or purchase (or procure the purchase of), at its option, all but not some only of the remaining outstanding Notes at their principal amount, together with interest accrued to (but excluding) the date fixed for such redemption or purchase.

In these Conditions:

"Optional Redemption Amount (Call)" means:

(i) in relation to any Optional Redemption Date (Call) which falls in the period from (and excluding) the date falling three months prior to the Maturity Date to (and including) the Maturity Date, the principal amount of the Notes plus accrued interest (if any) to (but excluding) such date; or

- (ii) in relation to any Optional Redemption Date (Call) which falls in the period from (and including) the Issue Date to (and including) the date falling three months prior to the Maturity Date, the higher of (x) the principal amount of the Notes and (y) the Make-Whole Amount, plus accrued interest (if any) to (but excluding) such date; or
 - (iii) such other amount as may be specified in the relevant Final Terms.
- (d) *Partial redemption:* If the Notes are to be redeemed in part only on any date in accordance with Condition 9(c) (*Redemption at the option of the Issuer*), in the case of Bearer Notes, the Notes to be redeemed shall be selected by the drawing of lots, in such place as the Trustee approves and in such manner as the Trustee considers appropriate, subject to compliance with applicable law, the rules of each competent authority, stock exchange and/or quotation system (if any) by which the Notes have then been admitted to listing, trading and/or quotation and the notice to Noteholders referred to in Condition 9(c) (*Redemption at the option of the Issuer*) shall specify the serial numbers of the Notes so to be redeemed, and, in the case of Registered Notes, each Note shall be redeemed in part in the proportion which the aggregate principal amount of the outstanding Notes to be redeemed on the relevant Optional Redemption Date (Call) bears to the aggregate principal amount of outstanding Notes on such date. If any Maximum Redemption Amount or Minimum Redemption Amount is specified in the relevant Final Terms, then the Optional Redemption Amount (Call) shall in no event be greater than the maximum or be less than the minimum so specified.
- (e) *Redemption at the option of Noteholders:* If the Put Option is specified in the relevant Final Terms as being applicable, the Issuer shall, at the option of the relevant Noteholder redeem the Note of such Noteholder on the Optional Redemption Date (Put) specified in the relevant Put Option Notice at the relevant Optional Redemption Amount (Put) together with interest (if any) accrued up to (but excluding) such date. In order to exercise the option contained in this Condition 9(e), the relevant Noteholder must, not less than 30 nor more than 60 days before the relevant Optional Redemption Date (Put) (or such other period(s) as may be specified in the relevant Final Terms), deposit with any Paying Agent such Note together with, in the case of Bearer Notes, all unmatured Coupons relating thereto and a duly completed Put Option Notice in the form obtainable from any Paying Agent. The Paying Agent with which a Note is so deposited shall deliver a duly completed Put Option Receipt to the depositing Noteholder. - (ii) on the date (the "**Relevant Announcement Date**") that is the earlier of (1) the date of the first public announcement of the relevant Change of Control and (2) the date of the earliest Potential Change of Control Announcement (if any), the Notes carry:

- (A) an investment grade credit rating (Baa3/BBB–, or equivalent, or better) from any Rating Agency (provided by such Rating Agency at the invitation of the Issuer), and such rating from any Rating Agency is within the Change of Control Period either downgraded to a non-investment grade credit rating (Ba1/BB+, or equivalent, or worse) or withdrawn and is not within the Change of Control Period subsequently (in the case of a downgrade) upgraded or (in the case of a withdrawal) reinstated, in either case, to an investment grade credit rating by such Rating Agency; or
- (B) a non-investment grade credit rating (Ba1/BB+, or equivalent, or worse) from any Rating Agency (provided by such Rating Agency at the invitation of the Issuer), and such rating from any Rating Agency is within the Change of Control Period downgraded by one or more notches (for illustration, Ba1/BB+ to Ba2/BB being one notch) or withdrawn and is not within the Change of Control Period subsequently (in the case of a downgrade) upgraded or (in the case of a withdrawal) reinstated, in either case, to its earlier credit rating or better by such Rating Agency; or
- (C) no credit rating and a Negative Rating Event also occurs within the Change of Control Period,

Upon receipt by the Issuer or the Trustee of any such written confirmation (or upon receipt by the Issuer of a copy of such written notification from the Trustee), the Issuer shall forthwith give notice of such written confirmation to the Noteholders in accordance with Condition 20 (*Notices*).

If 80 per cent. or more in principal amount of the Notes then outstanding have been redeemed or purchased pursuant to this Condition 9(f), the Issuer may, on giving not less than 30 nor more than 60 days' notice to the Noteholders (such notice being given within 30 days after the Change of Control Put Date), redeem or purchase (or procure the purchase of), at its option, all but not some only of the remaining outstanding Notes at their principal amount, together with interest accrued to (but excluding) the date fixed for such redemption or purchase.

- (a) *Meetings of Noteholders:* The Trust Deed contains provisions for convening meetings of Noteholders to consider any matters relating to their interests, including the modification of any provision of these Conditions. Any such modification may be made if sanctioned by an Extraordinary Resolution. Such a meeting may be convened by the Issuer or by the Trustee and shall be convened by the Issuer upon the request in writing of Noteholders holding not less than one-tenth of the aggregate principal amount of the outstanding Notes. The quorum at any meeting convened to vote on an Extraordinary Resolution will be one or more Persons holding or representing one more than half of the aggregate principal amount of the outstanding Notes or, at any adjourned meeting, one or more Persons being or representing Noteholders whatever the principal amount of the Notes held or represented; provided, however, that Reserved Matters may only be sanctioned by an Extraordinary Resolution passed at a meeting of Noteholders at which one or more

Persons holding or representing not less than three-quarters or, at any adjourned meeting, one quarter of the aggregate principal amount of the outstanding Notes form a quorum. Any Extraordinary Resolution duly passed at any such meeting shall be binding on all the Noteholders and Couponholders, whether present or not.

In addition, a resolution in writing signed by or on behalf of all Noteholders who for the time being are entitled to receive notice of a meeting of Noteholders under the Trust Deed will take effect as if it were an Extraordinary Resolution. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Noteholders.

- (b) *Modification and waiver:* The Trustee may, without the consent of the Noteholders, agree to any modification of these Conditions or the Trust Deed (other than in respect of a Reserved Matter) which is, in the opinion of the Trustee, proper to make if, in the opinion of the Trustee, such modification is not materially prejudicial to the interests of Noteholders and to any modification of the Notes or the Trust Deed which is of a formal, minor or technical nature or is to correct a manifest error.

In addition, the Trustee may, without the consent of the Noteholders, authorise or waive any proposed breach or breach of the Notes or the Trust Deed (other than a proposed breach or breach relating to the subject of a Reserved Matter) or determine, without any such consent as aforesaid, that any Event of Default or Potential Event of Default (as defined in the Trust Deed) shall not be treated as such if, in the opinion of the Trustee, the interests of the Noteholders will not be materially prejudiced thereby.

In addition the Trustee shall be obliged to concur with the Issuer in effecting any amendments to the interest calculation provisions and provisions related thereto of the Notes in the circumstances and as otherwise set out in Condition 7(h) (*Floating Rate Note Provisions - Benchmark Replacement*) without the requirement for the consent or sanction of the Noteholders or Couponholders.

Any modification, abrogation, waiver, authorisation, determination or substitution pursuant to this Condition 17(b) or Condition 17(c) (*Substitution*) shall be binding on the Noteholders and the Couponholders and, unless the Trustee agrees otherwise, shall be notified to the Noteholders as soon as practicable thereafter in accordance with the Conditions.

- (c) *Substitution:* The Trust Deed contains provisions under which any (i) Holding Company of the Issuer, (ii) Subsidiary of the Issuer, or (iii) Successor in Business of the Issuer may, without the consent of the Noteholders, assume the obligations of the Issuer as principal debtor under the Trust Deed and the Notes provided that certain conditions specified in the Trust Deed are fulfilled, including the Trustee being satisfied that the substitution is not materially prejudicial to the interests of the Noteholders.

18. Enforcement

The Trustee may at any time, at its discretion and without notice, institute such proceedings and/or other steps or action (including lodging an appeal in any proceedings)

as it thinks fit to enforce its rights under the Trust Deed in respect of the Notes or otherwise, but it shall not be bound to do so unless:

- (i) it has been so requested in writing by the Holders of at least one quarter of the aggregate principal amount of the outstanding Notes or has been so directed by an Extraordinary Resolution; and
- (ii) it has been indemnified and/or provided with security and/or prefunded to its satisfaction.

The Trustee may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction. Furthermore, the Trustee may also refrain from taking such action if it would otherwise render it liable to any person in that jurisdiction or if, in its opinion based upon such legal advice, it would not have the power to do the relevant thing in that jurisdiction by virtue of any applicable law in that jurisdiction or if it is determined by any court or other competent authority in that jurisdiction that it does not have such power.

No Noteholder or Couponholder shall be entitled to (i) take any steps or action against the Issuer to enforce the performance of any of the provisions of the Trust Deed, the Notes or the Coupons or (ii) take any other proceedings (including lodging an appeal in any proceedings) in respect of or concerning the Issuer, in each case unless the Trustee, having become bound so to take any such action, steps or proceedings, fails so to do within a reasonable period and the failure shall be continuing.

19. Further Issues

The Issuer may from time to time, without the consent of the Noteholders and in accordance with the Trust Deed, create and issue further notes having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest) so as to form a single series with the Notes. The Issuer may from time to time, with the consent of the Trustee, create and issue other series of notes having the benefit of the Trust Deed.

20. Notices

- (a) **Bearer Notes:** Notices to the Holders of Bearer Notes shall be valid if published in a leading English language daily newspaper published in London (which is expected to be the Financial Times) or, if such publication is not practicable, in a leading English language daily newspaper having general circulation in Europe. Any such notice shall be deemed to have been given on the date of first publication (or if required to be published in more than one newspaper, on the first date on which publication shall have been made in all the required newspapers). Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the Holders of Bearer Notes.
- (b) **Registered Notes:** Notices to the Holders of Registered Notes shall be sent to them (i) by first class mail (or its equivalent) or (if posted to an overseas address) by airmail at their

respective addresses on the Register or (ii), if such publication is not practicable, in a leading English language daily newspaper having general circulation in Europe. Any such notice shall be deemed to have been given, in the case of (i) above, on the second day after the date of mailing or, in the case of (ii) above, on the date of first publication.

- (c) The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any stock exchange or other relevant authority on which the Notes are for the time being listed or by which they have been admitted to trading.

21. Currency Indemnity

If any sum due from the Issuer in respect of the Notes or the Coupons or any order or judgment given or made in relation thereto has to be converted from the currency (the "**first currency**") in which the same is payable under these Conditions or such order or judgment into another currency (the "**second currency**") for the purpose of (a) making or filing a claim or proof against the Issuer, (b) obtaining an order or judgment in any court or other tribunal or (c) enforcing any order or judgment given or made in relation to the Notes, the Issuer shall indemnify each Noteholder, on the written demand of such Noteholder addressed to the Issuer and delivered to the Issuer or to the Specified Office of the Principal Paying Agent, against any loss suffered as a result of any discrepancy between (i) the rate of exchange used for such purpose to convert the sum in question from the first currency into the second currency and (ii) the rate or rates of exchange at which such Noteholder may in the ordinary course of business purchase the first currency with the second currency upon receipt of a sum paid to it in satisfaction, in whole or in part, of any such order, judgment, claim or proof.

This indemnity constitutes a separate and independent obligation of the Issuer and shall give rise to a separate and independent cause of action.

22. Rounding

For the purposes of any calculations referred to in these Conditions (unless otherwise specified in these Conditions or the relevant Final Terms), (a) all percentages resulting from such calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.), (b) all United States dollar amounts used in or resulting from such calculations will be rounded to the nearest cent (with one half cent being rounded up), (c) all Japanese Yen amounts used in or resulting from such calculations will be rounded downwards to the next lower whole Japanese Yen amount, and (d) all amounts denominated in any other currency used in or resulting from such calculations will be rounded to the nearest two decimal places in such currency, with 0.005 being rounded upwards.

23. Governing Law and Jurisdiction

- (a) *Governing law:* The Notes and the Trust Deed and all non-contractual obligations arising out of or in connection with the Notes and the Trust Deed are governed by English law.

- (b) *Jurisdiction:* The Issuer has in the Trust Deed (i) agreed for the benefit of the Trustee and the Noteholders that the courts of England shall have exclusive jurisdiction to settle any dispute (a "Dispute") arising out of or in connection with the Notes and; (ii) agreed that those courts are the most appropriate and convenient courts to settle any Dispute and, accordingly, that it will not argue that any other courts are more appropriate or convenient.

2. Issue of Voting Certificates, Block Voting Instructions and Forms of Proxy

(a) Bearer Notes

The holder of a Bearer Note may obtain a Voting Certificate from any Paying Agent or require any Paying Agent to issue a Block Voting Instruction by depositing such Bearer Note with such Paying Agent or arranging for such Bearer Note to be (to its satisfaction) held to its order or under its control or blocked in an account with a clearing system not later than 48 hours before the time fixed for the relevant Meeting. A Voting Certificate or Block Voting Instruction shall be valid until the release of the Deposited Notes to which it relates. So long as a Voting Certificate or Block Voting Instruction is valid, the bearer thereof (in the case of a Voting Certificate) or any Proxy named therein (in the case of a Block Voting Instruction) shall be deemed to be the holder of the Bearer Notes to which it relates for all purposes in connection with the Meeting. A Voting Certificate and a Block Voting Instruction cannot be outstanding simultaneously in respect of the same Bearer Note;

(b) Registered Notes

The holder of a Registered Note may require the Registrar to issue a Block Voting Instruction by arranging (to the satisfaction of the Registrar) for such Registered Note to be blocked in an account with a clearing system not later than 48 hours before the time fixed for the relevant Meeting. The holder of a Registered Note may require the Registrar to issue a Block Voting Instruction by delivering to the Registrar written instructions not later than 48 hours before the time fixed for the relevant Meeting. Any holder of a Note may obtain an uncompleted and unexecuted Form of Proxy from the Registrar. A Block Voting Instruction and a Form of Proxy cannot be outstanding simultaneously in respect of the same Registered Note.

3. References to deposit/release or blocking/release of Notes

(a) Bearer Notes

Where Bearer Notes are represented by one or more Global Notes or are held in definitive form within a clearing system, references to the deposit, or release, of Bearer Notes shall be construed in accordance with the usual practices (including blocking the relevant account) of such clearing system; or

(b) Registered Notes

Where Registered Notes are represented one or more Global Registered Notes or are held in definitive form within a clearing system, references to the blocking, or release, of

Registered Notes shall be construed in accordance with the usual practices (including blocking the relevant account) of such clearing system.

4. Validity of Block Voting Instructions and Forms of Proxy

(a) Bearer Notes

A Block Voting Instruction in relation to Bearer Notes shall be valid only if it is deposited at the Specified Office of the relevant Paying Agent or at some other place approved by the Trustee, at least 24 hours before the time fixed for the relevant Meeting or the Chairman decides otherwise before the Meeting proceeds to business. If the Trustee requires, a notarised copy of each Block Voting Instruction and satisfactory proof of the identity of each Proxy named therein shall be produced at the Meeting, but the Trustee shall not be obliged to investigate the validity of any Block Voting Instruction or the authority of any Proxy.

(b) Registered Notes

Block Voting Instructions in relation to Registered Notes and Forms of Proxy shall be valid only if deposited at the specified office of the Registrar or at some other place approved by the Trustee, at least 24 hours before the time fixed for the relevant Meeting or the Chairman decides otherwise before the Meeting proceeds to business. If the Trustee requires, a notarised copy of each Block Voting Instruction and satisfactory proof of the identity of each Proxy named therein shall be produced at the Meeting, but the Trustee shall not be obliged to investigate the validity of any Block Voting Instruction or the authority of any Proxy.

5. Record date in relation to Registered Notes

(a) Record date

The Issuer may fix a record date for the purposes of any Meeting of the Holders of Registered Notes or any resumption thereof following its adjournment for want of a quorum provided that such record date is not more than 10 days prior to the time fixed for such Meeting or (as the case may be) its resumption. The person in whose name a Registered Note is registered in the Register on the record date at close of business in the city in which the Registrar has its Specified Office shall be deemed to be the holder of such Note for the purposes of such Meeting and notwithstanding any subsequent transfer of such Note or entries in the Register.

6. Convening of Meeting

The Issuer or the Trustee may convene a Meeting at any time, and the Issuer shall be obliged to do so upon the request in writing of Noteholders holding not less than one tenth of the aggregate principal amount of the outstanding Notes. Every Meeting shall be held on a date, and at a time and place, approved by the Trustee.

7. Notice

- (a) At least 21 days' notice (exclusive of the day on which the notice is given and of the day on which the relevant Meeting is to be held) specifying the date, time and place of the Meeting shall be given to the Noteholders and the Paying Agents in relation to Bearer Notes, and the Registrar, in relation to Registered Notes (with a copy to the Issuer) where the Meeting is convened by the Trustee or, where the Meeting is convened by the Issuer, the Trustee; and

- (b) In relation to Bearer Notes

The notice shall set out the full text of any resolutions to be proposed unless the Trustee agrees that the notice shall instead specify the nature of the resolutions without including the full text and shall state that the Bearer Notes may be deposited with, or to the order of, any Paying Agent for the purpose of obtaining Voting Certificates or appointing Proxies not later than 48 hours before the time fixed for the Meeting; or

- (c) In relation to Registered Notes

The notice shall set out the full text of any resolutions to be proposed unless the Trustee agrees that the notice shall instead specify the nature of the resolutions without including the full text and shall state that Registered Notes may be blocked in clearing systems for the purposes of appointing Proxies under Block Voting Instructions until 48 hours before the time fixed for the Meeting and a Noteholder may appoint a Proxy either under a Block Voting Instruction by delivering written instructions to the Registrar or by executing and delivering a Form of Proxy to the Specified Office of the Registrar, in either case until 48 hours before the time fixed for the Meeting.

8. Chairman

An individual (who may, but need not, be a Noteholder) nominated in writing by the Trustee may take the chair at any Meeting but, if no such nomination is made or if the individual nominated is not present within 15 minutes after the time fixed for the Meeting, those present shall elect one of themselves to take the chair failing which, the Issuer may appoint a Chairman. The Chairman of an adjourned Meeting need not be the same person as was the Chairman of the original Meeting.

9. Quorum

The quorum at any Meeting shall be one Voter representing or holding not less than the Relevant Fraction of the aggregate principal amount of the outstanding Notes.

10. Adjournment for want of quorum

If within 15 minutes after the time fixed for any Meeting a quorum is not present, then:

- (a) in the case of a Meeting requested by Noteholders, it shall be dissolved; and
- (b) in the case of any other Meeting (unless the Issuer and the Trustee otherwise agree), it shall be adjourned for such period (which shall be not less than 3 days and not more than 42 days) and to such place as the Chairman determines (with the approval of the Trustee); provided, however, that:

the Meeting shall be dissolved if the Issuer and the Trustee together so decide; and

no Meeting may be adjourned more than once for want of a quorum.

11. Adjourned Meeting

The Chairman may, with the consent of, and shall if directed by, any Meeting adjourn such Meeting from time to time and from place to place, but no business shall be transacted at any adjourned Meeting except business which might lawfully have been transacted at the Meeting from which the adjournment took place.

12. Notice following adjournment

Paragraph 7 (Notice) shall apply to any Meeting which is to be resumed after adjournment for want of a quorum save that:

- (a) 10 days' notice (exclusive of the day on which the notice is given and of the day on which the Meeting is to be resumed) shall be sufficient; and
- (b) the notice shall specifically set out the quorum requirements which will apply when the Meeting resumes.

It shall not be necessary to give notice of the resumption of a Meeting which has been adjourned for any other reason.

13. Participation

The following may attend and speak at a Meeting:

- (a) Voters;
- (b) representatives of the Issuer and the Trustee;
- (c) the financial advisers of the Issuer and the Trustee;
- (d) the legal counsel to the Issuer and the Trustee and such advisers;
- (e) any other person approved by the Meeting or the Trustee; and

in relation to Registered Notes, the Registrar, or in relation to Bearer Notes, the Principal Paying Agent.

14. Show of hands

Every question submitted to a Meeting shall be decided in the first instance by a show of hands. Unless a poll is validly demanded before or at the time that the result is declared, the Chairman's declaration that on a show of hands a resolution has been passed, passed by a particular majority, rejected or rejected by a particular majority shall be conclusive, without proof of the number of votes cast for, or against, the resolution. Where there is only one Voter, this paragraph shall not apply and the resolution will immediately be decided by means of a poll.

15. Poll

A demand for a poll shall be valid if it is made by the Chairman, the Issuer, the Trustee or one or more Voters representing or holding not less than one fiftieth of the aggregate principal amount of the outstanding Notes. The poll may be taken immediately or after such adjournment as the Chairman directs, but any poll demanded on the election of the Chairman or on any question of adjournment shall be taken at the Meeting without adjournment. A valid demand for a poll shall not prevent the continuation of the relevant Meeting for any other business as the Chairman directs.

16. Votes

Every Voter shall have:

- (a) on a show of hands, one vote; and
- (b) on a poll, the number of votes obtained by dividing the aggregate principal amount of the outstanding Notes represented or held by him by the unit of currency in which the Notes are denominated.

In the case of a voting tie the Chairman shall have a casting vote.

Unless the terms of any Block Voting Instruction or Form of Proxy state otherwise, a Voter shall not be obliged to exercise all the votes to which he is entitled or to cast all the votes which he exercises in the same way.

In the case of any Meeting of holders of more than one Series of Notes where not all such Series are in the same currency, the principal amount of such Notes shall for all purposes in this Schedule 4 (whether inter alia in respect of the Meeting or any poll resulting therefrom), be the equivalent in U.S. dollars translated at the spot rate of a bank nominated by the Trustee for the sale of the relevant currency or currencies for U.S. dollars on the seventh dealing day prior to such Meeting, or in the case of a written request pursuant to paragraph 6 (*Convening of Meeting*), the date of such request. In such circumstances, on any poll each person present shall have one vote for each Unit of Notes (converted as above) which he holds.

In this paragraph, a "**Unit**" means the lowest denomination of the Notes as stated in the Applicable Final Terms or in the case of a meeting of Noteholders of more than one Series, shall be the lowest common denominator of the lowest denomination of the Notes.

17. Validity of Votes by Proxies

- (a) Any vote by a Proxy in accordance with the relevant Block Voting Instruction in relation to either Bearer of Registered Notes or Form of Proxy in relation to Registered Notes or shall be valid even if such Block Voting Instruction or Form of Proxy or any instruction pursuant to which it was given has been amended or revoked, provided that neither the Issuer, the Trustee nor the Chairman has been notified in writing of such amendment or revocation by the time which is 24 hours before the time fixed for the relevant Meeting; or
- (b) Unless revoked, any appointment of a Proxy under a Block Voting Instruction or a Form of Proxy in relation to a Meeting shall remain in force in relation to any resumption of such Meeting following an adjournment; provided, however, that no such appointment of a Proxy in relation to a Meeting originally convened which has been adjourned for want of a quorum shall remain in force in relation to such Meeting when it is resumed. Any person appointed to vote at such a Meeting must be re appointed under a Block Voting Instruction (or, in relation to Registered Notes, a Form of Proxy) to vote at the Meeting when it is resumed.

18. Powers

A Meeting shall have power (exercisable only by Extraordinary Resolution), without prejudice to any other powers conferred on it or any other person:

- (a) to approve any Reserved Matter;
- (b) to approve any proposal by the Issuer for any modification, abrogation, variation or compromise of any provisions of this Trust Deed or the Conditions or any arrangement in respect of the obligations of the Issuer under or in respect of the Notes;
- (c) (other than as permitted under Clause 6.3 of this Trust Deed) to approve the substitution of any person for the Issuer (or any previous substitute) as principal obligor under the Notes;
- (d) to waive any breach or authorise any proposed breach by the Issuer of its obligations under or in respect of this Trust Deed or the Notes or any act or omission which might otherwise constitute an Event of Default under the Notes;
- (e) to remove any Trustee;
- (f) to approve the appointment of a new Trustee;
- (g) to authorise the Trustee (subject to its being indemnified and/or secured to its satisfaction) or any other person to execute all documents and do all things necessary to give effect to any Extraordinary Resolution;

- (h) to discharge or exonerate the Trustee from any liability in respect of any act or omission for which it may become responsible under this Trust Deed or the Notes;
- (i) to give any other authorisation or approval which under this Trust Deed or the Notes is required to be given by Extraordinary Resolution; and
- (j) to appoint any persons as a committee to represent the interests of the Noteholders and to confer upon such committee any powers which the Noteholders could themselves exercise by Extraordinary Resolution.

19. Extraordinary Resolution binds all holders

An Extraordinary Resolution shall be binding upon all Noteholders and, in relation to Bearer Notes and Couponholders, whether or not present at such Meeting, and each of the Noteholders shall be bound to give effect to it accordingly. Notice of the result of every vote on an Extraordinary Resolution shall be given to the Noteholders and, in relation to Bearer Notes, to the Paying Agents and, in relation to Registered Notes, the Registrar with a copy to the Issuer and the Trustee) within 14 days of the conclusion of the Meeting.

20. Minutes

Minutes of all resolutions and proceedings at each Meeting shall be made. The Chairman shall sign the minutes, which shall be prima facie evidence of the proceedings recorded therein. Unless and until the contrary is proved, every such Meeting in respect of the proceedings of which minutes have been summarised and signed shall be deemed to have been duly convened and held and all resolutions passed or proceedings transacted at it to have been duly passed and transacted.

21. Electronic Consent

For so long as the Notes are in the form of a Global Note held on behalf of, or a Global Registered Note registered in the name of any nominee for, one or more of Euroclear, Clearstream, Luxembourg or an alternative clearing system, then, in respect of any resolution proposed by the Issuer or the Trustee where the terms of the resolution proposed by the Issuer or the Trustee (as the case may be) have been notified to the Noteholders through the relevant clearing system(s) as provided in sub-paragraphs (a) and/or (b) below, each of the Issuer and the Trustee shall be entitled to rely upon approval of such resolution given by way of electronic consents communicated through the electronic communications systems of the relevant clearing system(s) to the Principal Paying Agent or another specified agent and/or the Trustee in accordance with their operating rules and procedures by or on behalf of the holders of not less than three quarters in principal amount of the Notes outstanding (the "**Required Proportion**") ("**Electronic Consent**") by close of business on the Relevant Date. Any resolution passed in such manner shall be binding on all Noteholders and Couponholders, even if the relevant consent or instruction proves to be defective. None of the Issuer, the Agents or the Trustee shall be liable or responsible to anyone for such reliance.

- (a) When a proposal for a resolution to be passed as an Electronic Consent has been made, at least 10 days' notice (exclusive of the day on which the notice is given and of the day on which affirmative consents will be counted) shall be given to the Noteholders through the relevant clearing system(s). The notice shall specify, in sufficient detail to enable Noteholders to give their consents in relation to the proposed resolution, the method by which their consents may be given (including, where applicable, blocking of their accounts in the relevant clearing system(s)) and the time and date (the "Relevant Date") by which they must be received in order for such consents to be validly given, in each case subject to and in accordance with the operating rules and procedures of the relevant clearing system(s).
- (b) If, on the Relevant Date on which the consents in respect of an Electronic Consent are first counted, such consents do not represent the Required Proportion, the resolution shall, if the party proposing such resolution (the "Proposer") so determines, be deemed to be defeated. Such determination shall be notified in writing to the other party or parties to the Trust Deed. Alternatively, the Proposer may give a further notice to the Noteholders that the resolution will be proposed again on such date and for such period as shall be agreed with the Trustee (unless the Trustee is the Proposer). Such notice must inform Noteholders that insufficient consents were received in relation to the original resolution and the information specified in sub-paragraph (a) above. For the purpose of such further notice, reference to "Relevant Date" shall be construed accordingly.

For the avoidance of doubt, an Electronic Consent may only be used in relation to a resolution proposed by the Issuer or the Trustee which is not then the subject of a meeting that has been validly convened in accordance with paragraph 6 (*Convening of Meeting*) above, unless that meeting is or shall be cancelled or dissolved. An Electronic Consent shall take effect as an Extraordinary Resolution and will be binding on all Noteholders and holders or Coupons and Talons, whether or not they participated in such Written Resolution and/or Electronic Consent.

22. Written Resolution

A Written Resolution shall take effect as if it were an Extraordinary Resolution.

23. Further regulations

Subject to all other provisions contained in this Trust Deed, the Trustee may without the consent of the Issuer or the Noteholders prescribe such further regulations regarding the holding of Meetings of Noteholders and attendance and voting at them as the Trustee may in its sole discretion determine.

24. Several Series

The following provisions shall apply where outstanding Notes belong to more than one Series:

- (a) Business which in the opinion of the Trustee affects the Notes of only one Series shall be transacted at a separate Meeting of the holders of the Notes of that Series.
- (b) Business which in the opinion of the Trustee affects the Notes of more than one Series but does not give rise to an actual or potential conflict of interest between the holder of Notes or one such Series and the holders of Notes of any other such Series shall be transacted either at separate Meetings of the holders of the Notes of each such Series or at a single Meeting of the holders of the Notes of all such Series, as the Trustee shall in its absolute discretion determine.
- (c) Business which in the opinion of the Trustee affects the Notes of more than one Series and gives rise to an actual or potential conflict of interest between the holders of Notes of one such Series and the holders of Notes of any other such Series shall be transacted at separate Meetings of the holders of the Notes of each such Series.
- (d) The preceding paragraphs of this Schedule shall be applied as if references to the Notes and Noteholders were to the Notes of the relevant Series and to the holders of such Notes.
- (e) In this paragraph, "business" includes (without limitation) the passing or rejection of any resolution
