## Babcock Support Services Limited

### Strategic report

The directors present their Strategic report on the Company for the year ended 31 March 2021.

#### Principal activities

The Company operates across a number of support services contracts; facilities management, equipment support and training services to the armed forces. It further provides a range of logistic and equipment support services for the British Army and Royal Air Force. It helps customers maintain, operate and improve their estates. Typical customers are public sector organisations with complex infrastructure portfolios to service. The Company also sells employee services to other Group companies which attracts a margin on the employee costs.

#### Review of the business

	<b>2021</b>	2020 (Restated)*
	<b>£'000</b>	£'000
Revenue	<b>23,386</b>	22,353
Loss for the financial year	<b>(1,477)</b>	(1,745)

Over the course of the year, the Company's core business activities continued to perform in line with expectations.

\* Refer to Note 4 for details of the prior year restatement.

#### Future development

Despite the uncertainty currently being experienced with regards to the ongoing coronavirus pandemic and the wider changes in the economy, the directors remain confident that the outlook remains positive in respect of the prospective opportunities for the Company, and that future performance will be in line with FY21.

#### Principal risks and uncertainties

The management of the business and the execution of the Company's strategy are subject to a number of risks and uncertainties. These are managed through the operational review process supplemented at Babcock International Group PLC (the "Group") level by independent challenge and review by the Group Risk Manager and the Audit and Risk Committee.

The key risks and uncertainties affecting the Company are considered to be related to contractual performance and the political and regulatory environment. The Company's business is susceptible to individual contract performance. All of the Company's contracts are affected by changes in government policy, budget allocations and the changing political environment. The directors manage this risk by maintaining regular discussions with the relevant customers and controlling both direct and indirect expenditure as necessary.

## **Babcock Support Services Limited**

### **Strategic report** *(continued)*

#### **Principal risks and uncertainties** *(continued)*

Further discussion of these risks and uncertainties, in the context of the Group as a whole and including the expected impact of COVID-19 is provided on pages 84 to 95 of the FY21 annual report of Babcock International Group PLC, which does not form part of this report.

#### **Key performance indicators**

The Company's activities are managed on a sector basis. For this reason, the Company's directors believe that analysis using key performance indicators for the Company is not necessary or appropriate for an understanding of the development, performance or position of the Company. The growth and performance of Aviation, a sector of Babcock International Group PLC, which includes the Company, is discussed on pages 56 to 57 of the annual report of Babcock International Group PLC, which does not form part of this report.

#### **Going concern**

The financial statements have been prepared on a going concern basis as Babcock Southern Holdings Limited will provide financial support to the Company to ensure it can meet its obligations as they fall due. The Company is in a net asset position but is loss making, therefore the Directors have received confirmation that Babcock Southern Holdings Limited will provide financial support to the Company for at least one year from the date of signing of these financial statements.

Further details regarding the adoption of the going concern basis can be found in the Summary of significant accounting policies in the financial statements.

#### **Financial risk management**

Information on the Financial Risk Management of the Company can be found in the Directors' report.

#### **S172(1) statement and stakeholder engagement**

The Directors have acted in a way that they consider, in good faith, to be most likely to promote the long-term success of the Company for the benefit of the Shareholders as a whole while having regard for all stakeholders. Stakeholder engagement is managed in accordance with Group policies and procedures which are discussed on pages 58, 59 and 79 of the annual report of Babcock International group PLC, which does not form part of this report.

On behalf of the board

K Garvey

**Director**

27 June 2022

## **Babcock Support Services Limited**

### **Directors' report**

The Directors present their report and the audited financial statements of the Company for the year ended 31 March 2021.

### **Results and dividends**

The Company's results for the year are set out in the income statement on page 11 showing a loss for the financial year of £1,477,000 (2020: £1,745,000). At 31 March 2021, the Company had net assets of £380,872,000 (2020: £401,048,000). A review of the Company's business during the year, together with information on the Company's risks and uncertainties are provided in the Strategic report.

No dividends were paid or proposed during the current or comparative year. The Directors have no plans for a final dividend (2020: nil).

### **Future developments**

Information on the future developments of the Company can be found in the Strategic report.

### **Financial risk management**

The Company's operations expose it to a variety of financial risks that include the effects of changes in price risk, credit risk, liquidity risk and interest rate cashflow risk. The Company has in place a risk management programme that seeks to limit adverse effects on the financial performance of the Company by monitoring levels of debt finance and the related finance costs.

Given the size of the Company, the directors have not delegated the responsibility of monitoring financial risk management to a sub-committee of the board. The policies set by the Board of Directors of Babcock International Group PLC are implemented by the Group and Company's finance departments. Each department has a policy and procedures manual that sets out specific guidelines to allow it to manage interest rate risk, credit risk and circumstances where it would be appropriate to use financial instruments to manage these.

All treasury transactions are carried out only with prime rated counter-parties. Financial Risk is managed in accordance with Group policies and procedures which are discussed in Note 2 of the annual report of Babcock International Group PLC.

#### *Price risk*

The Company is exposed to price risk as a result of its operations. This risk is mitigated by specific functions which assess pricing in respect of both selling and procurement activities. The Company has no exposure to equity securities price risks as it holds no listed equity investments.

#### *Credit risk*

The Company has implemented policies that require appropriate credit checks on potential customers before sales are made. The Company also monitors existing customer accounts on an on-going basis and takes appropriate action where necessary to minimise any potential credit risk. Cash and bank balances are held with banks that have been assigned satisfactory credit ratings by international credit rating agencies.

#### *Liquidity risk*

The Company retains access to pooled cash resources to ensure it has sufficient available funds for operations. The Company also has access to longer term funding from its ultimate parent undertaking if required.

## **Babcock Support Services Limited**

### **Directors' report** *(continued)*

#### **Financial risk management** *(continued)*

##### *Interest rate cash flow risk*

The Company has both interest-bearing assets and interest-bearing liabilities. The interest-bearing assets earn interest at a floating rate. Interest-bearing liabilities accrue interest at a floating rate. The Company does not use derivative financial instruments to manage interest rate costs and, as such, no hedge accounting is applied.

#### **Directors**

The Directors who held office during the year and up to the date of signing the Annual Report were as follows:

G Adams  
N Borrett  
K Garvey  
D Jones  
N Misell  
S Doherty (appointed 18 May 2022)  
S Ward  
M Lawton (resigned 24 September 2020)  
I Urquhart (resigned 31 May 2022)

#### **Employment of disabled persons**

Applications for employment by disabled persons are always fully considered, bearing in mind the respective aptitudes and abilities of the applicant concerned. In the event of members of staff becoming disabled, every effort is made to ensure that their employment with the Company continues and the appropriate training is arranged. It is the policy of the Company that the training, career development and promotion of a disabled person should, as far as possible, be identical to that of a person who does not suffer from a disability.

#### **Employee involvement**

Consultation with employees or their representatives has continued at all levels, with the aim of ensuring that their views are taken into account when decisions are made that are likely to affect their interests and that all employees are aware of the financial and economic performance of their business units and of the Company as a whole. Communication with all employees continues through the in-house newspaper and newsletters, briefing groups and the distribution of the annual report.

#### **Safety policy**

The Company recognises the promotion of health and safety at work as an important objective. It is Company policy to take steps to ensure, as far as reasonably practical, the health, safety and welfare of the employees of the Company.

## **Babcock Support Services Limited**

### **Directors' report** *(continued)*

#### **Environment**

The Company recognises its responsibility to minimise so far as reasonably possible the potential for adverse impacts from its operations. It aims to achieve the highest standards in environmental management and seek accreditation to appropriate standards where appropriate.

The Company has developed and implemented an environmental policy to ensure that the impact of its activities on the environment is limited to the minimum practicable level.

#### **Statement of directors' responsibilities in respect of the financial statements**

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law).

Under company law, directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 101 have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are also responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006.

#### **Directors' confirmations**

In the case of each director in office at the date the directors' report is approved:

- so far as the director is aware, there is no relevant audit information of which the company's auditors are unaware; and
- they have taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

## **Babcock Support Services Limited**

### **Directors' report** *(continued)*

#### **Qualifying third party indemnity provisions**

Babcock International Group PLC provides protections for directors of Companies within the Group against personal financial exposure they may incur in their capacity as such. These include qualifying third party indemnity provisions (as defined by Companies Act 2006) for the benefit of members of Babcock International Group PLC, including, where applicable, in their capacity as a director of the Company and other companies within the Group. These indemnities came into force in 2012 and remain in force at the date of signing the financial statements.

#### **Statement of disclosure of information to auditors**

Each director, as at the date of this report, has confirmed that in so far as they are aware there is no relevant audit information of which the Company's auditors are unaware, and they have taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of this information.

#### **Independent auditors**

PricewaterhouseCoopers LLP has now completed its final audit as external auditor. Deloitte LLP has been selected as the Company's external auditor for the financial year ending 31 March 2022 following shareholder approval at the Annual General Meeting of the Ultimate Parent, Babcock International Group PLC

On behalf of the board

K Garvey

**Director**

# Independent auditors' report to the members of Babcock Support Services Limited

## Report on the audit of the financial statements

### Opinion

In our opinion, Babcock Support Services Limited's financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2021 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual Report, which comprise: the Balance Sheet as at 31 March 2021; the Income Statement, the Statement of Comprehensive Income and the Statement of changes in equity for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Independence

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

### Conclusions relating to going concern

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

However, because not all future events or conditions can be predicted, this conclusion is not a guarantee as to the company's ability to continue as a going concern.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

## Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Strategic report and Directors' report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on our work undertaken in the course of the audit, the Companies Act 2006 requires us also to report certain opinions and matters as described below.

### Strategic report and Directors' report

In our opinion, based on the work undertaken in the course of the audit, the information given in the Strategic report and Directors' report for the year ended 31 March 2021 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Strategic report and Directors' report.

## Responsibilities for the financial statements and the audit

### Responsibilities of the directors for the financial statements

As explained more fully in the Statement of directors' responsibilities, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Based on our understanding of the company and industry, we identified that the principal risks of non-compliance with laws and regulations related to non-compliance of equivalent local laws and regulations, and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the financial statements such as the Companies Act 2006. We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to posting inappropriate or fictitious journal entries to manipulate the financial performance or financial position of the Company. Audit procedures performed by the engagement team included:

- Gaining an understanding of the legal and regulatory framework and considering the risk of any acts which may be contrary to applicable laws and regulations, including fraud;
- Inquiries with management including consideration of known or suspected instances of non-compliance with laws and regulation and fraud; and
- Testing journal entries and other adjustments for appropriateness and evaluating the business rationale of any significant transactions outside the normal course of business.

There are inherent limitations in the audit procedures described above. We are less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in the financial statements. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditors' report.

### **Use of this report**

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

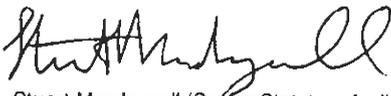

## **Other required reporting**

### **Companies Act 2006 exception reporting**

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not obtained all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Stuart Macdougall (Senior Statutory Auditor)

for and on behalf of PricewaterhouseCoopers LLP

# **Babcock Support Services Limited**

## **Notes to the financial statements**

### **1 General information**

Babcock Support Services Limited is a private company limited by shares which is incorporated in the UK and registered in Scotland. The address of the registered office is DWF LLP Sentinel, 103 Waterloo Street, Glasgow, Scotland, G2 7BW.

### **2 Summary of significant accounting policies**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented. The Company has adopted FRS 101 in these financial statements.

#### ***Basis of preparation***

The financial statements have been prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101) and the Companies Act 2006.

These financial statements are prepared on a going concern basis, under the historical cost convention, as modified by the revaluation of land and buildings and certain financial assets and liabilities measured at fair value through profit and loss in accordance with the Companies Act 2006. The financial statements are prepared in pounds sterling which is the functional and presentational currency of the Company and rounded to the nearest £'000.

The preparation of financial statements in conformity with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. The area involving a higher degree of judgement or complexity, or area where assumptions and estimates are significant to the financial statements is disclosed in note 3.

The Company is a wholly owned subsidiary of Babcock Defence & Security Holdings LLP and of its ultimate parent, Babcock International Group PLC. It is included in the consolidated financial statements of Babcock International Group PLC which are publicly available. Therefore the Company is exempt by virtue of section 400 of the Companies Act 2006 from the requirement to prepare consolidated financial statements.

## **Babcock Support Services Limited**

### **Notes to the financial statements** *(continued)*

#### **2 Summary of significant accounting policies** *(continued)*

##### ***Basis of preparation*** *(continued)*

The following exemptions from the requirements of IFRS have been applied in the preparation of these financial statements, in accordance with FRS 101 and the shareholders of the Company have been notified accordingly:

- a) IFRS 7, 'Financial Instruments: Disclosures'.
- b) Paragraphs 91 to 99 of IFRS 13, 'Fair value measurement' (disclosures of valuation techniques and inputs used for fair value measurement of assets and liabilities).
- c) Paragraph 38 of IAS 1, 'Presentation of financial statements' comparative information in respect of:
  - paragraph 79(a) (iv) of IAS 1 Share capital and reserves;
  - paragraph 73(e) of IAS 16 Property, plant and equipment; and
  - paragraph 118(e) of IAS 38 Intangible assets (reconciliation between the carrying amount at the beginning and end of the period)
- d) The following paragraphs of IAS 1, 'Presentation of financial statements':
  - 10(d), 10(f), 16, 38, 40, 111, and 134-136
- e) IAS 7, 'Statement of cash flows'
- f) Paragraph 30 and 31 of IAS 8 'Accounting policies, changes in accounting estimates and errors'
- g) Paragraph 17 of IAS 24, 'Related party transactions' in respect of key management compensation
- h) The requirements of IAS 24, 'Related party disclosures' to disclose related party transactions entered into between two or more members of a group.
- i) Paragraphs 130(f) (ii), 130(f) (iii), 134(d) to 134(f) and 135(c) to 135(e) of IAS 36, 'Impairment of assets (disclosures when the recoverable amount is fair value less costs of the disposal, assumptions involved in estimating recoverable amounts of cash generating unit containing goodwill or intangible assets with indefinite useful lives and management's approach to determining these amounts)
- j) The requirements of paragraph 45(b) and paragraphs 46 to 52 of IFRS2 'Share-based payments'.
- k) The requirements of paragraphs 10(f) and 40A-D of IAS 1 'Presentation of financial statements' to present a third statement of financial position.

##### ***Going concern***

The financial statements have been prepared on a going concern basis as Babcock Southern Holdings Limited will provide financial support to the Company to ensure it can meet its obligations as they fall due. The Company is in a net asset position but is loss making, therefore the Directors have received confirmation that Babcock Southern Holdings Limited will provide financial support to the Company for at least one year from the date of signing of these financial statements.

## **Babcock Support Services Limited**

### **Notes to the financial statements** *(continued)*

#### **2 Summary of significant accounting policies** *(continued)*

##### **Revenue**

Revenue recognised represents income derived from contracts with customers for the provision of goods and services in the ordinary course of business. Revenue is recognised in line with IFRS 15, Revenue from Contracts with Customers. IFRS 15 requires the identification of performance obligations in contracts, allocation of the contract price to the performance obligations and recognition of revenue as performance obligations are satisfied.

##### **(a) Performance obligations**

Contracts are assessed to identify each promise to transfer either a distinct good or service or a series of distinct goods or services that are substantially the same and have the same pattern of transfer to the customer. Goods and services are distinct and accounted for as separate performance obligations if the customer can benefit from them either on their own or together with other resources readily available to the customer and they are separately identifiable in the contract. The integrated output nature of many of the goods and services provided by the Company can result in contracts with one performance obligation.

##### **(b) Allocation of contract price to performance obligations**

The contract price represents the amount of consideration which the Company expects to receive in exchange for delivering the promised goods or services to the customer. Variable consideration is included in the contract price on the most likely outcome basis but only to the extent that it is highly probable that it will not reverse in the future. Given the bespoke nature of many of the goods and services the Company provides, stand-alone selling prices are generally not available and, in these circumstances, the Company allocates the contract price to performance obligations based on cost plus margin, in accordance with the Group's pricing principles. The Company's contracts typically do not include significant financing components.

##### **(c) Revenue and profit recognition**

Performance obligations are satisfied, and revenue recognised, as control of goods and services is transferred to the customer. Control can be transferred at a point in time or over time and the Company determines, for each performance obligation, whether it is satisfied over time or at a point in time. Performance obligations are satisfied over time if any of the following criteria are satisfied:

- the customer simultaneously receives and consumes the benefits of the company's performance as it performs; or
- the company's performance does not create an asset with an alternative use to the company and the company has an enforceable right to payment for work done; or
- the company's performance creates or enhances an asset controlled by the customer.

Most of the Company's contracts meet the requirements to satisfy performance obligations and recognise revenue over time either because the customer simultaneously receives and consumes the benefits of the Company's performance as it performs or the Company's performance does not create an asset with an alternative use to the Company and the Company has an enforceable right to payment for work done.

Where the Company satisfies performance obligations over time, revenue is recognised using costs incurred as a proportion of total estimated costs to assess stage of completion, but with the stage of completion and revenue assessed in relation to each performance obligation.

## **Babcock Support Services Limited**

### **Notes to the financial statements** *(continued)*

#### **2 Summary of significant accounting policies** *(continued)*

##### **Revenue** *(continued)*

In some circumstances the Company also uses an output based earned value approach, as an indicator, to validate the cost based input approach and this approach uses suitably qualified and experienced Company personnel to assess the stage of completion of performance obligations.

If a performance obligation is not satisfied over time, then revenue is recognised at the point in time that control is transferred to the customer. Point in time recognition mainly applies to sale of goods.

Control typically transfers to the customer when the customer has legal title to the goods and this is usually coincident with delivery of the goods to the customer and right to payment by the Company.

Profit is recognised to the extent that the final outcome on contracts can be reliably assessed. Contract outturn assessments are carried out on a contract-by-contract basis by suitably qualified and experienced Group personnel and the assessments of all significant contracts are subject to review and challenge by local management, sector management and Group management. Assessment of outcomes are in relation to separate performance obligations and include variable consideration, measured using the most likely outcome approach, to the extent that it is highly probable that there will not be a reversal in the amount of cumulative revenue recognised. Any expected loss on a contract is recognised immediately in the income statement.

The Company presents as an asset the gross amount due from customers for contract work for all contracts in progress for which costs incurred plus recognised profits (less recognised losses) exceed progress billings. The Company presents as a liability the gross amount due to customers for contract work for all contracts in progress for which progress billings exceed costs incurred plus recognised profits (less recognised losses).

##### **(d) Costs of obtaining a contract**

Pre-contract costs are recognised as expenses as incurred, except that directly attributable costs are recognised as an asset and amortised over the life of the contract when it can be reliably expected that a contract will be obtained, typically at preferred bidder stage, and the contract is expected to result in future net cash inflows.

##### **(e) Contract mobilisation costs**

Post-contract award but pre-contract operational start-up mobilisation costs are recognised as an asset and amortised over the life of the contract. These mobilisation costs are included within the contract value and relate to ensuring that assets and resources are mobilised as necessary to support delivery of performance obligations in accordance with contract requirements.

##### **Contract accounting**

The Company has long term contracts where revenue and expenses are incurred over multiple financial periods. This requires estimates of revenue and expenses over multiple periods, considering various elements such as the frequency and extent of the number of employees, materials and other resources required to fulfil the contract terms, billing rates and cost changes. Revisions that affect a contract's total estimated profitability results in an adjustment of earnings. Where necessary, provisions are established for any probable future losses.

## **Babcock Support Services Limited**

### **Notes to the financial statements** *(continued)*

#### **2 Summary of significant accounting policies** *(continued)*

##### ***Borrowings***

Borrowings are recognised initially at fair value, net of transaction costs incurred. Borrowings are subsequently carried at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the income statement over the period of the borrowings using the effective interest method.

Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw-down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a pre-payment for liquidity services and amortised over the period of the facility to which it relates.

##### ***Property, plant and equipment***

Property, plant and equipment (PPE) is shown at cost less subsequent depreciation and impairment. Cost includes expenditure that is directly attributable to the acquisition of the items. Depreciation is provided on a straight-line basis to write off the cost of PPE over the estimated useful lives to their estimated residual value (reassessed at each balance sheet date) at the following annual rates:

Plant and machinery	2 to 15 years
Leasehold property	Lease term

Where PPE is purchased for specific projects and the remaining project life is less than the above periods, the asset is written off over the remainder of the project life.

PPE is reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of the fixed asset may not be recoverable. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount exceeds the higher of an asset's fair value less cost to sell or value in use.

##### ***Investments in group undertakings***

Investments are stated at cost less provision for impairment in value. Investments are impaired to the higher of fair value or value in use.

##### ***Taxation***

###### ***a) Current income tax***

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

###### ***b) Deferred income tax***

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax basis of assets and liabilities and their carrying amounts in the financial statements. However, if the deferred income tax arises from initial recognition of an asset or liability in a transaction, other than a business combination, that at the time of the transaction affects neither accounting nor taxable profit or loss, it is not accounted for. Deferred income tax is determined using tax rates (and laws) that have been enacted, or substantively enacted by the balance sheet date and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

## **Babcock Support Services Limited**

### **Notes to the financial statements** *(continued)*

#### **2 Summary of significant accounting policies** *(continued)*

##### ***Taxation*** *(continued)*

Deferred tax assets are recognised to the extent that it is probable that the future taxable profit will be available against which the temporary differences can be utilised.

Tax is recognised in the income statement except to the extent that it relates to items recognised directly in either other comprehensive income or in equity, in which case the tax is also recognised in other comprehensive income or directly in equity respectively.

##### ***Pensions costs and other post-retirement benefits***

The Company participates in two defined benefit schemes. These are the Babcock International Group Pension Scheme (BIGPS) and the Rosyth Royal Dockyard Pension Scheme. They share risks between entities under common control. The defined benefit schemes define the amount of pension benefit that an employee will receive on retirement, usually dependent on one or more factors such as age, years of service and compensation.

The cost of providing benefits is determined using the projected unit credit actuarial valuation method. The total service cost and associated administration costs of the pension schemes are charged to the operating profit in the entities who participate in the scheme. In addition, a retirement benefit interest charge on the net pension deficit is charged to the income statement as a finance cost. Actuarial gains and losses are recognised directly in equity through the statement of comprehensive income.

The fair value of plan assets, are measured in accordance with FRS 101 fair value hierarchy and includes the use of appropriate valuation techniques.

The extent to which the Company recognises its share of the income statement charge, the assets and liabilities of the scheme, and the actuarial gain or loss is determined by the proportion of active members of the scheme that it employs.

The schemes' liability is the present value of the defined benefit obligation at the reporting date less the fair value of the plan assets at the reporting date.

The Company participates in a defined contribution scheme. Obligations for contributions to the defined contribution pension plan are recognised as an expense in the income statement.

##### ***Foreign currencies***

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated into the local currency at the year end exchange rates.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at exchange rates ruling at the balance sheet date of monetary assets and liabilities denominated in foreign currencies are recognised in the income statement.

##### ***Interest income***

Interest income is recognised using the effective interest method. When a loan and receivable is impaired, the Company reduces the carrying amount to its recoverable amount, being the estimated future cash flow discounted at the original effective interest rate of the instrument, and continues unwinding the discount as interest income. Interest income on impaired loan and receivables is recognised using the original effective interest rate.

## **Babcock Support Services Limited**

### **Notes to the financial statements** *(continued)*

#### **2 Summary of significant accounting policies** *(continued)*

##### ***Trade and other receivables***

Trade and other receivables are amounts due from customers for merchandise sold or services performed in the ordinary course of business. If collection is expected in one year or less (or in the normal operating cycle of the business if longer), they are classified as current assets. If not, they are presented as non-current assets.

Trade and other receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment. IFRS 9 introduces an expected credit loss approach to impairment. The Company applies the IFRS 9 simplified approach to measuring expected credit losses, which uses a lifetime expected loss allowance for all trade receivables and contract assets.

##### ***Cash and cash equivalents***

Cash and cash equivalents includes cash in hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the balance sheet, bank overdrafts are shown net of cash balances within borrowings in current liabilities.

##### ***Trade and other payables***

Creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Creditors are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

##### ***Leases***

Under IFRS 16 right-of-use asset are held at cost less accumulated depreciation and impairment. Any impairments are determined in line with IAS 36, "Impairment of Assets". Depreciation is charged on a straight-line basis over the full length of the lease.

Lease liabilities decrease over time by the net of lease payments made and the interest accrued. Interest is charged to the income statement as the effect of discounting the future lease payments is unwound.

## **Babcock Support Services Limited**

### **Notes to the financial statements** *(continued)*

#### **3 Critical accounting estimates and judgements**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the reporting date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates.

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The following estimates and judgements have had the most significant effect on amounts recognised in the financial statements.

##### *a) Defined benefit pension schemes*

The Company has an obligation to pay pension benefits to certain employees. The cost of these benefits and the present value of the obligation depend on a number of factors, including: life expectancy, salary increases, asset valuations and the discount rate on corporate bonds. Management estimates these factors in determining the net pension obligation in the balance sheet. The assumptions reflect historical experience and current trends. See note 21 for the disclosures of the defined benefit pension schemes.

##### *b) Contract accounting*

The Company uses the percentage of completion method of revenue recognition in some of its long term contracts. In these long term contracts revenue and expenses are incurred over multiple financial periods. This requires estimates of revenue and expenses over multiple periods, considering various elements such as the frequency and extent of the number of employees, materials and other resources required to fulfil the contract terms, billing rates and cost changes. Revisions that affect a contract's total estimated profitability results in an adjustment of earnings. Where necessary, provisions are established for any probable future losses.

##### *c) Deferred tax*

Deferred income tax is recognised on all temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statements, with the following exceptions: Deferred tax assets are recognised only to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, carried forward tax credits or tax losses can be utilised.

Deferred income tax assets and liabilities are measured on an undiscounted basis at the tax rates that are expected to apply when the related asset is realised or liability is settled, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

The carrying amount of deferred income tax assets is reviewed at each balance sheet date. Deferred income tax assets and liabilities are offset, only if a legally enforcement right exists to set off current tax assets against current tax liabilities, the deferred income taxes relate to the same taxation authority and that authority permits the Company to make a single net payment.

##### *d) Fixed asset investments*

The Company holds investments at the fair value of the assets, liabilities and contract intangible acquired being the consideration paid at the date of acquisition. Any provision for impairment is assessed by management on a regular basis considering the future economic inflows that management believe will be realised from the investment.

## Babcock Support Services Limited

### Notes to the financial statements (continued)

#### 4 Revenue

Revenue is wholly attributable to the principal activities of the Company and is of United Kingdom origin and destination. FY20 revenues have been restated to remove their gross presentation for the facilities management contract with the MoD for which another Group entity is acting as the principal in the arrangement and the Company is acting as an agent. The impact of this restatement is a reduction in FY20 revenues and cost of sales of £26,018k. FY20 revenues and cost of sales as previously reported were £48,371k and £47,748k respectively. The restatement has no impact to the balances as at 1 April 2019.

	2021 £'000	2020 £'000 (restated)
By revenue type:		
Sale of goods – transferred at a point in time	131	382
Provision of services – transferred over time	4,946	3,647
Provision of services – transferred at a point in time	18,309	18,324
	<hr/> <b>23,386</b>	<hr/> <b>22,353</b>

#### 5 Operating loss

Operating loss is stated after charging:

	2021 £'000	2020 £'000
Depreciation – owner property, plant & equipment (Note 10)	9	41
Depreciation – right of use assets (Note 11)	32	96
Staff costs (Note 7)	18,133	17,073
Impairment of investments (Note 12)	1,025	783
<b>Services provided by the Company's auditors:</b>		
- Fees payable for the audit	41	33

Fees paid to the Company's Auditors, PricewaterhouseCoopers LLP, and its associates, for services other than statutory audit of the Company, are disclosed on a consolidated basis in the financial statements of the ultimate parent undertaking, Babcock International Group PLC. The group financial statements are required to comply with the statutory disclosure requirements.

#### 6 Finance income and costs

	2021	2020
	£'000	£'000
<b>Finance income</b>		
Other interest	703	299
Loan interest receivable from group undertakings	1,240	1,964
	<b>1,943</b>	<b>2,263</b>
<b>Finance costs</b>		
Bank interest	(142)	(338)
IFRS 16 interest	(2)	(7)
Loan interest payable to group undertakings	(977)	(1,063)
	<b>(1,121)</b>	<b>(1,408)</b>

#### 7 Staff costs

The Company employs personnel directly. Particulars of these employees (including directors) are as shown below. Some of these employees' services are recharged to Babcock Marine Rosyth Limited. The average monthly number of persons recharged under this arrangement was 281 (2020: 279). The total cost included in the remuneration below was £18,133,000 (2020: £17,073,000).

The average monthly number of employees (including directors) employed by the Company during the year was as follows:

	2021	2020
	Number	Number
Production	304	280
Administration	16	51
	<b>320</b>	<b>331</b>

Their aggregate remuneration comprised:

	2021	2020
	£'000	£'000
Wages and salaries	14,257	13,406
Social security costs	1,563	1,403
Other pension costs - defined contribution	1,765	925
Other pension costs - defined benefit	548	1,339
	<b>18,133</b>	<b>17,073</b>

## Babcock Support Services Limited

### Notes to the financial statements (continued)

#### 8 Directors' remuneration

Except for one director (2020: one), all of the directors of the Company are remunerated by other Babcock Group companies. It is not possible to make an accurate apportionment of these directors' emoluments relating to services provided to the Company and as such no disclosure of emoluments received by these directors has been made in these financial statements. No recharge is made for costs borne by the Company in relation to services performed by the directors in relation to other Babcock Group companies.

The emoluments of the single and highest paid director, including pension contributions, paid by the Company in respect of services provided to this Company were as follows:

	<b>2021</b>	<b>2020</b>
	<b>£'000</b>	<b>£'000</b>
The remuneration of the director paid by the Company:		
Emoluments (including benefits-in-kind)	<b>159</b>	<b>191</b>
Defined contribution pension scheme	<b>9</b>	<b>8</b>
	<b>168</b>	<b>199</b>

There are no retirement benefits under SIPS money purchase schemes accruing for any active directors (2020: none).

During the year, the single and highest paid director (2020: one) remunerated by Babcock Support Services Limited exercised share options under long term incentive plans and one (2020: one) director was entitled to receive share options under long term incentive plans.

## Babcock Support Services Limited

### Notes to the financial statements (continued)

#### 9 Income tax credit

	2021	2020
	£'000	£'000
<b>Tax included in income statement</b>		
<b>Deferred tax:</b>		
Origination and reversal of timing differences	(616)	(389)
Adjustment in respect of prior years	34	(10)
Impact of change in tax rate	-	(74)
<b>Total deferred tax credit (Note 17)</b>	<b>(582)</b>	<b>(473)</b>
<b>Income tax credit</b>	<b>(582)</b>	<b>(473)</b>
<b>Tax credit included in other comprehensive expense</b>		
<b>Deferred tax:</b>		
Tax impact of actuarial gains / losses on pension liability	(4,386)	2,305
Impact of change in tax rate	-	(787)
<b>Tax charge/(credit) in other comprehensive expense</b>	<b>(4,386)</b>	<b>1,518</b>

The difference between the total current year tax shown above and the amount calculated by applying the standard rate of UK corporation tax to the profit before tax is as follows:

	2021	2020
	£'000	£'000
<b>(Loss) before income tax</b>	<b>(2,059)</b>	<b>(2,218)</b>
(Loss) before tax at the standard UK corporation tax rate of 19% (2020: 19%)	(391)	(421)
Effects of:		
Expenses not deductible for tax purposes	124	78
Group relief claimed for nil consideration	(349)	(42)
Prior year adjustments	-	(4)
Adjustment in respect of deferred tax for prior years	34	(10)
Impact for change in UK tax rate	-	(74)
<b>Total tax credit for the year</b>	<b>(582)</b>	<b>(473)</b>

In 2020 budget, it was announced that the decrease in the UK rate of corporation tax from 19% to 17% was cancelled. On 24 May 2021, the Finance Act 2021 was substantively enacted, increasing the main rate of UK corporation tax from 19% to 25% with effect from 1 April 2023. As the increase of the rate to 25% had not been substantively enacted at the Balance Sheet date, its effects are not included in these Financial Statements.

	2021 £'000	2020 £'000
Cumulative preference shares of £1 each - 250,000 (2020: 250,000)	250	250
	<u>250</u>	<u>250</u>

Cumulative preference shares of £250,000 were issued on 4<sup>th</sup> June 2010 at an issue price of £1.00 per share. 50,000 A preference shares, 50,000 B preference shares, 50,000 C preference shares, 50,000 D preference shares and 50,000 E preference shares all of £1.00 each. The preference shares and the ordinary shares shall not rank *pari passu* in relation to receiving any dividends or other similar distributions.

The holders of the A preference shares shall be entitled to be paid a dividend equal in amount to the amount of the loan principle (if any) repaid by Babcock Southern Holdings Limited to the Company (infrastructure division) under the loan agreement between the Company (infrastructure division) and Babcock Southern Holdings Limited entered into in March 2008 (the A Loan Agreement).

The holders of the B preference shares shall be entitled to be paid a dividend equal in amount to the amount of the loan principle (if any) repaid by Babcock Southern Holdings Limited to the Company (defence division) under the loan agreement between the Company (defence division) and Babcock Southern Holdings Limited entered into in March 2008 (the B Loan Agreement).

The holders of the C preference shares shall be entitled to be paid a dividend equal in amount to the amount of the loan principle (if any) repaid by Babcock Southern Holdings Limited to the Company (infrastructure division) under the loan agreement between the Company (infrastructure division) and Babcock Southern Holdings Limited entered into on 26 March 2009 (the C Loan Agreement).

The holders of the D preference shares shall be entitled to be paid a dividend equal in amount to the amount of the loan principle (if any) repaid by Babcock Southern Holdings Limited to the Company (defence division) under the loan agreement between the Company (defence division) and Babcock Southern Holdings Limited entered into on 24 February 2010 (the D Loan Agreement).

The holders of the E preference shares shall be entitled to be paid a dividend equal in amount to the amount of the loan principle (if any) repaid by Babcock Southern Holdings Limited to the Company (infrastructure division) under the loan agreement between the Company (infrastructure division) and Babcock Southern Holdings Limited entered into on 24 February 2010 (the E Loan Agreement).

For as long as any amount of loan principle remains to be repaid under any of the five Loan Agreements, no dividend or other distribution shall be paid or made to holders of the ordinary shares and during this period the Company shall not initiate any other action that will deplete the distributable reserves of the Company below £32,000,000. There are no further dividend rights beyond the payment of the loan principle as disclosed above.

## Babcock Support Services Limited

### Notes to the financial statements (continued)

#### 16 Lease liabilities

The entity leases vehicles under non-cancellable operating lease agreements. The leases have various terms, escalation clauses and renewal rights.

Discounted future minimum lease payments are as follows:

	<b>2021</b> <b>£'000</b>
Within one year	<b>56</b>
In more than one year, but not more than five years	<b>20</b>
After five years	
Carrying value of liability	<u><b>76</b></u>

The weighted average incremental borrowing rate applied to the lease liabilities at the date of transition was 4.6%.

#### 17 Deferred taxation

The major components of the deferred tax liabilities recorded asset are as follows:

	<b>Accelerated capital allowances £'000</b>	<b>Retirement benefit obligations £'000</b>	<b>Total £'000</b>
<b>Deferred tax (assets)/liabilities</b>			
At 1 April 2020	(609)	(5,663)	(6,272)
Charged/(credited) to the income statement	128	(710)	(582)
Charged to other comprehensive income	-	(4,386)	(4,386)
At 31 March 2021	<u><b>(481)</b></u>	<u><b>(10,759)</b></u>	<u><b>(11,240)</b></u>

Deferred tax assets are only recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities, other future taxable profits or through compensation from other Group companies for tax losses surrendered.

### Notes to the financial statements *(continued)*

#### 20 Related party disclosures

The Company has taken advantage of the exemptions within FRS 101 not to disclose transactions and balances with Babcock International Group PLC and its wholly owned subsidiaries, on the grounds that the Company itself is a wholly owned subsidiary of Babcock International Group PLC, for which consolidated financial statements are publicly available.

Transactions entered into with parties who are not wholly owned subsidiaries of Babcock International Group PLC and trading balances outstanding at 31 March 2021 are as follows:

	<b>Sales to related party £'000</b>	<b>Dividends received £'000</b>	<b>Amounts owed by related party £'000</b>
<b>Related party</b>			
<i>Babcock DynCorp Limited</i>			
<b>2021</b>	-	<b>349</b>	-
2020	-	433	-
<i>Fixed Wing Training Limited</i>			
<b>2021</b>	<b>4,101</b>	-	-
2020	3,912	-	184

All dealings with related parties are conducted on an arm's length basis.

## Notes to the financial statements *(continued)*

### 21 Pension commitments

The Company financial statements for pension costs in accordance with IAS 19R.

The Company contributes to a defined contribution scheme in the UK in respect of a number of its employees. The pension charge for the year includes contributions payable by the Company to these funds amounting to £nil (2020: £76,000). As at 31 March 2021, no contributions were payable to the funds (2020: £nil).

The Company is also a contributing employer to two defined benefit schemes, the Babcock International Group Pension Scheme (BIGPS) and the Rosyth Royal Dockyard Limited pension scheme (Rosyth). The Company is severally liable, along with the other participating employers for the assets and liabilities of the schemes. The allocation of the assets and liabilities of the schemes and which have been recognised in these financial statements are detailed in this note.

The nature of the schemes is that the employees contribute to the schemes with the employers paying the balance of the cost required. The contributions required and the assessment of the assets and the liabilities that have accrued to members and any deficit recovery payments required are agreed by the participating employer companies with the trustees who are advised by an independent, qualified actuary.

The key risks relate primarily to longevity, the expected inflation rate in the future which impacts on pension increases and indirectly salary increases and the discount rate used to value the liabilities. The schemes have mitigated some of these risks by taking out longevity swaps for approximately 54% of the obligations in respect of pensioners and their spouses, through a common investment committee have significantly hedged the interest rate and inflation risk through derivative instruments and introduced benefit changes impacting future service benefits which included capping of pensionable salaries, capping pension increases, increased normal retirement age in line with state pension ages and increased the level of member contributions.

The schemes are funded by payments to legally separate trustee-administered funds. The trustees of the schemes are required by law to act in the best interests of the schemes' members. In addition to determining future contribution requirements (with the agreement of the participating employers), the trustees are responsible for setting the schemes' investment strategy (subject to consultation). The schemes have an independent trustee and member nominated trustees. The schemes are subject to regulation under the funding regime set out in Part III of the Pensions Act 2004.

### **Babcock International Group Pension Scheme**

The IAS 19 valuation has been updated at 31 March 2021 by an independent qualified actuary using revised assumptions that are consistent with the requirements of IAS 19. The date of the last full actuarial valuation was 31 March 2019. The major assumptions used for the IAS 19 valuation were:

## Babcock Support Services Limited

### Notes to the financial statements (continued)

#### 21 Pension commitments (continued)

	2021 %	2020 %
<b>Major assumptions</b>		
Rate of increase in salaries	2.9	2.0
Rate of increase in pension payment	3.2	2.8
Discount rate	2.0	2.4
Inflation	2.7	1.8

The expected total employer contributions to be made by participating employers to the scheme in 2021/22 are £33.5m. The future service rate is 51.1%. The above level of funding is expected to continue until the next actuarial valuation, with valuations carried out every 3 years. Included in employer contributions of £33.5m is £22.9m of deficit recovery payments. The Company's share of this is allocated based on the percentage of active members of the scheme that it employs.

The mortality assumptions used were:

	2021 Years	2020 Years
Life expectancy from age 65 (male age 65)	22.1	21.7
Life expectancy from age 65 (male age 45)	22.7	22.7

The changes to the Babcock International Group Plc balance sheet at March 2021 and the changes to the Babcock International Group Plc income statement for the year to March 2022, if the assumptions were sensitised by the amounts below, would be:

	Defined benefit obligations 2021 £'000	Income statement 2022 £'000
<b>Initial assumptions</b>	<b>1,421,689</b>	8,841
Discount rate assumptions increased by 0.5%	(96,533)	(3,265)
Discount rate assumptions decreased by 0.5%	96,533	2,289
Inflation rate assumptions increased by 0.5%	57,721	1,819
Inflation rate assumptions decreased by 0.5%	(52,887)	(1,648)
Total life expectancy increased by half a year	32,841	762
Total life expectancy decreased by half a year	(32,841)	(762)
Salary increase assumptions increased by 0.5%	7,677	455
Salary increase assumptions decreased by 0.5%	(7,677)	(455)

The weighted average duration of cashflows (years) was 18 (2020: 18).

## Babcock Support Services Limited

### Notes to the financial statements (continued)

#### 21 Pension commitments (continued)

The fair value of the assets, the present value of the liabilities and the expected rates of return of the scheme at the balance sheet date of 31 March 2021 were:

<b>Fair value of plan assets</b>	<b>2021</b>	<b>2020</b>
	<b>£'000</b>	<b>£'000</b>
Equities	-	17,851
Property	<b>138,681</b>	136,091
Absolute return and multi strategy funds	<b>77,583</b>	87,564
Bonds	<b>724,997</b>	588,848
Matching assets	<b>551,709</b>	622,665
<b>Scheme Assets</b>	<b>1,492,970</b>	1,453,019
Active position on longevity swaps	<b>(53,800)</b>	(65,642)
<b>Total assets</b>	<b>1,439,170</b>	1,387,377
Present market value of liabilities - funded	<b>(1,421,689)</b>	1,276,793
<b>Gross pension surplus</b>	<b>17,481</b>	110,584

All the assets of the scheme are quoted except for the longevity swaps.

The scheme does not invest directly in assets or shares of Babcock International Group PLC.

The longevity swaps have been valued in line with assumptions that are consistent with the requirements of IFRS 13.

<b>Analysis of amount charged to the income statement in Babcock International Group PLC</b>	<b>2021</b>	<b>2020</b>
	<b>£'000</b>	<b>£'000</b>
Current service cost	<b>5,741</b>	6,693
Incurred expenses	<b>2,596</b>	1,970
Past service cost	<b>999</b>	-
Settlement	-	-
Total included within operating profit	<b>9,336</b>	8,663
Net interest (income)	<b>(2,843)</b>	(1,300)
<b>Total charged to the income statement</b>	<b>6,493</b>	7,363

The amounts charged to the income statement in these financial statements, based on the Company's allocation of the total Babcock International Group Plc charge, included £nil for service cost (2020: £nil), £nil for incurred expenses (2020: nil), £nil for past service cost (2020: nil), £nil for settlement (2020: nil), and net interest cost of £nil (2020: £nil).

At 31 March	1,492,970	1,453,019

## Babcock Support Services Limited

### Notes to the financial statements (continued)

#### 21 Pension commitments (continued)

The surplus recognised in these financial statements, based on the Company's allocation of the total Babcock International Group PLC assets and liabilities for this scheme, was £nil (2020 £nil).

#### Rosyth Pension scheme

The IAS 19 valuation has been updated at 31 March 2021 by an independent qualified actuary using revised assumptions that are consistent with the requirements of IAS 19. The date of the last full actuarial valuation was 31 March 2016. The major assumptions used for the IAS 19 valuation were:

	<b>2021</b>	<b>2020</b>
	%	%
<b>Major assumptions</b>		
Rate of increase in salaries	<b>2.9</b>	2.0
Rate of increase in pension payment	<b>3.2</b>	2.8
Discount rate	<b>2.0</b>	2.4
Inflation	<b>2.7</b>	1.8

The expected total employer contributions to be made by participating employers to the scheme in 2021/22 are £73.4m. The above level of funding is expected to continue until the next actuarial valuation, with valuations carried out every 3 years. Included in employer contributions of £73.4m (2020: £26.9m) is £67.5m (2020: £17.5m) of deficit recovery payments. The Company's share of this is allocated based on the percentage of active members of the scheme that it employs.

The mortality assumptions used were:

	<b>2021</b>	2020
	Years	Years
Life expectancy from age 65 (male age 65)	<b>19.8</b>	<b>19.8</b>
Life expectancy from age 65 (male age 45)	<b>20.9</b>	<b>20.9</b>
