

## **FY2019 DBP Awards**

19 August 2021

Upon the finalisation of the contract profitability and balance sheet review, the Remuneration Committee has considered further the impact of the review's findings on its application of the Company's remuneration policy. The Committee has decided, in light of the restatement of the Company's 2020 accounts and the errors in prior year accounts, also to lapse the deferred bonus awards made to Archie Bethel and Franco Martinelli in respect of their FY2019 bonus.
