Dear Shareholder

I am pleased to announce that the Company will hold its Annual General Meeting (“AGM”) at the Grosvenor House Hotel, Park Lane, London W1 K 7TN on Thursday, 28 September 2023 at 10.30am. The AGM is an important event in our corporate calendar as it provides the Board of Directors with an opportunity to present a review of the Company’s performance, update shareholders on the Group’s strategic priorities and listen to and respond to shareholder questions.

We set out the proposed resolutions, together with explanatory notes, on pages 2 to 6. Resolutions 17 to 19 will be proposed as special resolutions. All the rest will be proposed as ordinary resolutions. In line with our customary practice, we will hold the vote by a poll rather than on a show of hands, which ensures that we count the votes of shareholders who are not attending in person. Speaking on behalf of the Board of Directors, we encourage shareholders to submit any questions they would like to have answered at the AGM in advance, as this will enable us to respond to as many questions as possible at the AGM. You can do this by email to groupsecretariat@babcockinternational.com. If you attend the AGM, you may also submit questions during the meeting.

Voting

You can vote by proxy by visiting www.babcock-shares.com and following the instructions on that website. You will need to log in to your Babcock share portal or register, if you have not previously done so. To register, you will need your Investor Code, which is on your share certificate or dividend confirmation. Alternatively, to receive a paper form, please contact our Registrars, Link Group, using the contact details set out in the Important Information for Shareholders on page 8. Our Registrar must receive your vote by 10.30am on Tuesday, 26 September 2023 or, in the event the AGM is adjourned, not less than 48 hours (excluding non-working days) before the time fixed for the adjourned meeting. Further information on how to appoint a proxy is set out on pages 7 and 8.

Voting by proxy prior to the AGM does not affect your right to attend the AGM and vote in person should you so wish.

Recommendation

Your Directors believe that all of the proposed resolutions are in the best interests of the Company and its shareholders as a whole and unanimously recommend that you vote in favour of all of them, as your Directors intend to do in respect of their own beneficial holdings.

Yours sincerely

RUTH CAIRNIE

Chair

Political Donations and expenditure

15. To resolve that, in accordance with sections 366 and 367 of the Companies Act 2006 (the "2006 Act"), the Company and all companies that are its subsidiaries at any time during the period for which this Resolution 15 is effective are authorised to:

- (a) make political donations to a political party or to an independent election candidate;
- (b) make political donations to political organisations other than political parties; and

up to an aggregate amount of £100,000, with the amount authorised under each of paragraphs (a) to (c) also being limited to such amount, in each case during the period beginning with the date of the passing of this Resolution 15 and ending on 30 September 2024 or, if sooner, the conclusion of the annual general meeting of the Company in 2024 unless previously renewed, varied or revoked by the Company in general meeting.

For the purpose of this Resolution 15 'political donation', 'political party', 'political organisation', 'independent election candidate' and 'political expenditure' are to be construed in accordance with sections 363, 364 and 365 of the 2006 Act.

Authority to Allot

16. To resolve that, in substitution for all such existing authorities, the Directors of the Company be and are hereby generally and unconditionally authorised for the purpose of section 551 of the 2006 Act to exercise all the powers of the Company to allot shares in the Company and grant rights to subscribe for or to convert any security into shares in the Company:

- (b) comprising equity securities (as defined in section 560(1) of the 2006 Act) up to an aggregate nominal amount of £202,238,638.80 (such amount to be reduced by any allotments or grants made under paragraph (a) above) in connection with a pre-emptive offer (including an offer by way of a rights issue or an open offer),

such authorities to apply (unless previously renewed, varied or revoked by the Company in a general meeting) until the end of the Company's next annual general meeting (or, if earlier, until the close of business on 28 December 2024) but, in each case, so that the Company may make offers and enter into agreements before the authority expires which would, or might, require shares to be allotted or rights to subscribe for or to convert any security into shares to be granted after the authority expires and the Directors of the Company may allot shares or grant such rights under any such offer or agreement as if the authority conferred hereby had not expired. References in this Resolution 16 to the nominal amount of rights to subscribe for or to convert any security into shares (including where such rights are referred to as equity securities as defined in section 560(1) of the 2006 Act) are to the nominal amount of shares that may be allotted pursuant to the rights.

Special Resolutions

Disapplication of Pre-emption Rights

17. To resolve that, in substitution for all such existing authorities, and subject to the passing of Resolution 16, the Directors of the Company be and are hereby generally empowered, pursuant to sections 570 and 573 of the 2006 Act, to:

- (b) sell ordinary shares (as defined in section 560(1) of the 2006 Act) held by the Company as treasury shares for cash,

in each case, free of the restriction in section 561 of the 2006 Act, provided that such authority shall be limited to:

- (i) the allotment of equity securities and/or sale of treasury shares for cash in connection with or pursuant to an offer of, or invitation to apply for, equity securities (but in the case of an allotment pursuant to the authority granted under paragraph (b) of Resolution 16, by way of a pre-emptive offer (including a rights issue or open offer) only):
 - A. to ordinary shareholders in proportion (as nearly as may be practicable) to their holdings; and
 - B. to holders of other equity securities, as required by the rights of those securities or, subject to such rights, as the Directors otherwise consider necessary,

but subject to such limits, exclusions, restrictions or other arrangements as the Directors of the Company may consider necessary or appropriate to deal with treasury shares, fractional entitlements, record dates, legal, regulatory or practical difficulties which may arise in, or under the laws or regulatory requirements of, any territory or any other matter whatsoever;

- (ii) the allotment of equity securities pursuant to the authority granted by paragraph (a) of Resolution 16 and/or sale of treasury shares for cash (in each case otherwise than in the circumstances set out in paragraph (i) of this Resolution 17), up to an aggregate nominal amount of £30,335,795, calculated in the case of equity securities which are rights to subscribe for, or to convert securities into, ordinary shares, by reference to the aggregate nominal amount of relevant shares which may be allotted pursuant to such rights; and
- (iii) to the allotment of equity securities or sale of treasury shares (otherwise than under paragraph (i) or paragraph (ii) above) up to a nominal amount equal to 20% of any allotment of equity securities or sale of treasury shares from time to time under paragraph (ii) above, such power to be used only for the purposes of making a follow-on offer which the Board determines to be of a kind contemplated by paragraph 3 of Section 2B of the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice,

such authority to apply (unless previously renewed, varied or revoked by the Company in general meeting) until the end of the Company's next annual general meeting (or, if earlier, until the close of business on 28 December 2024) but, in each case, so that the Company may make offers and enter into agreements before the authority expires which would, or might, require equity securities to be allotted (and/or treasury shares to be sold) after the authority expires and the Directors of the Company may allot equity securities (and/or sell treasury shares) under any such offer or agreement as if the authority conferred hereby had not expired.

Authority to Purchase Own Shares

18. To resolve that the Company be and is hereby generally and unconditionally authorised for the purposes of section 701 of the 2006 Act to make market purchases (within the meaning of section 693(4) of the 2006 Act) of its ordinary shares of 60p each ("ordinary shares") in the capital of the Company on such terms and in such manner as the Directors of the Company may from time to time determine provided that:
- (a) the maximum number of ordinary shares hereby authorised to be purchased shall be 50,559,660 shares, representing approximately 10% of the issued share capital of the Company at 31 July 2023 (being the latest practicable date prior to the publication of this notice);
 - (b) the price which may be paid for each ordinary share shall not be less than the nominal value thereof exclusive of the expenses of purchase;
 - (c) the price which may be paid for each ordinary share (exclusive of the expenses of purchase) shall not exceed the higher of (i) an amount equal to 105% of the average of the middle market quotation for an ordinary share as derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which such ordinary share is contracted to be purchased; and (ii) an amount equal to the higher of the price of an ordinary share quoted for the last independent trade and the highest current independent bid for an ordinary share on the trading venue where the purchase is carried out;
 - (d) the authority hereby conferred shall (unless previously renewed, varied or revoked by the Company at a general meeting) expire at the end of the Company's next annual general meeting (or, if earlier, the close of business on 28 December 2024); and
 - (e) the Company may, before this authority expires, make a contract to purchase ordinary shares which will or may be executed wholly or partly after the expiry of this authority, and may make purchases of ordinary shares in pursuance of any such contract as if this authority had not expired.

Notice for General Meetings

19. That a general meeting of the Company (other than an annual general meeting) may be called by the Directors of the Company on not less than 14 clear days' notice.

By order of the Board

Explanatory Notes to the Resolutions

The shareholders will pass Ordinary Resolutions 1 to 16 if the votes cast for the Resolutions are more than those cast against. The Board considers that all the Resolutions in the notice of the Annual General Meeting are in the best interests of the Company and its shareholders as a whole. Your Directors unanimously recommend that you vote in favour of them as they intend to do in respect of their own beneficial holdings.

Resolution 1: Report and Accounts

The Directors must lay the Annual Report and Financial Statements before the shareholders at each Annual General Meeting.

Resolution 2: Directors' Remuneration Policy

All UK listed companies must seek shareholder approval of their remuneration policy every three years. Shareholders approved our current remuneration policy at the 2020 AGM. We are proposing a revised Directors' Remuneration Policy, details of which are set out in the Directors' Remuneration Policy Report on pages 136 to 141 of the Company's Annual Report and Financial Statements 2023.

Resolution 3: Directors' Remuneration Report

We are asking shareholders to approve the Directors' remuneration report for the year ended 31 March 2023, which is set out on pages 142 to 152 of the Company's Annual Report and Financial Statements 2023. The vote upon this resolution is advisory. The vote is not specific to individual levels of remuneration and the Directors' entitlement to remuneration is not conditional on it.

Resolutions 4 to 12: Appointment and reappointment of Directors

In line with article 80 of the Company's articles of association and the provisions of the UK Corporate Governance Code (the 'Code'), all Directors will retire at the AGM and stand for re-appointment, as proposed in resolutions 4 to 8, along with those in resolutions 11 and 12. The Directors named in resolutions 4 to 8 and 11 and 12 were all appointed or reappointed at last year's AGM.

In terms of resolutions 9 and 10, the Board appointed Jane Moriarty on 1 December 2022 and Sir Kevin Smith on 1 June 2023 and, accordingly, we are asking shareholders to approve their appointment. The Nominations Committee led the process of identifying and recommending the appointment of Jane and Sir Kevin to the Board based on pre-defined criteria of experience, knowledge, skills and independence. In the case of Jane, the Nominations Committee sought in particular to enhance the Board's financial expertise, to support John Ramsay and the Audit Committee (for more information please see pages 122 and 123 of the Company's Annual Report and Financial Statements 2023). Jane brings this expertise from her long executive career at KPMG, extensive experience of business issues from her restructuring work and diverse non-executive experience in recent years. The appointment of Sir Kevin strengthens the Board's operational and strategic experience in the defence sector which is an increased focus for the Group. Sir Kevin has an in-depth knowledge of defence having spent most his career in the sector, first with BAE Systems for over 20 years and then with GKN, where he was CEO for eight years. He is also an experienced non-executive director having served on the board of Rolls-Royce.

Following the annual performance evaluation of all Directors, the Board is satisfied that the performance of each Director continues to be effective and demonstrates commitment to his or her role. Their biographical details, which are set out in Appendix 1 to this Notice, demonstrate how the Board has the appropriate balance of skills, experience, independence and knowledge to lead the Company's long-term sustainable success. Accordingly, the Board unanimously recommends their reappointment.

The Board has reviewed the independence of its Non-Executive Directors and has determined that each of them continues to be independent.

Resolutions 13 and 14: Re-appointment and remuneration of the auditor

On the recommendation of the Audit Committee, the Board is recommending to shareholders the reappointment of Deloitte LLP as the Company's auditor from the conclusion of the AGM until the conclusion of the next annual general meeting. Please see page 127 of the Company's Annual Report and Financial Statements 2023 for further detail. In accordance with standard practice, resolution 14 authorises the Audit Committee, on behalf of the Board, to determine the remuneration of the Company's auditor.

Resolution 15: Political donations and expenditure

We do not make political donations or incur political expenditure within the ordinary meaning of those terms. However, certain activities undertaken in the usual course of business may inadvertently fall within the legal definition of political donation or political expenditure. In line with standard practice, on an annual basis, we ask shareholders to approve on a precautionary basis a limited authority to ensure that the Company does not commit any technical breach of the 2006 Act.

Resolution 16: Authority to Allot

Under section 551 of the 2006 Act, the Directors may only allot shares or grant rights over shares if authorised to do so by shareholders. This resolution seeks authority to allot (a) shares up to an aggregate nominal value of £101,119,319.40 (such amount to be reduced by any allotments or grants made under paragraph (b) in excess of such amount) and (b) equity securities up to an aggregate nominal amount of £202,238,638.80 (such amount to be reduced by any allotments or grants made under paragraph (a)) where the allotment is in connection with a fully pre-emptive offer (including a rights issue or open offer). These amounts represent a maximum of 33.3% and 66.6% respectively of the total issued ordinary share capital of the Company as at 31 July 2023*.

This resolution is in accordance with the guidance provided by the Investment Association on the Directors' authority to allot. This guidance permits resolutions seeking authority to allot shares representing up to two-thirds of the Company's issued share capital if Directors use such authority (that part provided by paragraph (b) of Resolution 16) to allot shares pursuant to a fully pre-emptive offer, including a rights issue or open offer. If granted, this authority will expire at the end of the Company's annual general meeting in 2024 (or, if earlier, the close of business on 28 December 2024). As at 31 July 2023* the Company held no treasury shares.

The Directors have no present intention of exercising the allotment authority sought under Resolution 16 unless required for the allotment of ordinary shares in respect of options and awards under employee share plans. However, the Directors consider it desirable to have the flexibility to use it should opportunities arise. If the Directors do exercise the authority, the Directors intend to follow market best practice as regards its use.

Shareholders will pass Resolutions 17 to 19, which are Special Resolutions, if at least 75% of the votes cast are in favour.

Resolution 17: Disapplication of Pre-emption Rights

Under section 561(1) of the 2006 Act, a company cannot issue ordinary shares for cash until the Company has first offered them pro rata to existing shareholders.

We are asking shareholders for authority to allot a limited number of shares or equity securities or sell treasury shares otherwise than to existing shareholders pro rata to their holdings. Apart from offers or invitations in proportion to the respective number of shares held, the authority in Resolution 17 will be limited to:

- (a) pre-emptive offers, including rights issues or open offers, and offers to holders of other equity securities if required by the rights of those securities, or as the Board otherwise considers necessary;
- (b) the issue of shares and sales of treasury shares for cash up to a maximum aggregate nominal value of £30,335,795 (representing approximately 10% of the Company's issued ordinary share capital as at 31 July 2023*); and
- (c) allotments or sales up to an additional aggregate nominal amount equal to 20% of any allotments or sales made under (b) above (so a maximum of 2%), such power to be used only for the purposes of making a follow-on offer of a kind contemplated by Section 2B of the Pre-emption Group's Statement of Principles.

If granted, this authority will expire at the conclusion of the annual general meeting of the Company to be held in 2024, (or, if earlier, the close of business on 28 December 2024). The limits in resolution 17 are in line with those set out in the Pre-emption Group's Statement of Principles published in November 2022. The Directors have no present intention to exercise the powers sought by resolution 17. If the powers sought by resolutions 17 are used in relation to a non-pre-emptive offer, the Directors confirm their intention to follow the shareholder protections in paragraph 1 of Part 2B of the Pre-emption Group's Statement of Principles and, where relevant, follow the expected features of a follow-on offer as set out in paragraph 3 of Part 2B of the Pre-emption Group's Statement of Principles.

Resolution 18: Authority to Purchase Own Shares

If passed, Resolution 18 will renew the general authority for the Company to make market purchases of its own ordinary shares as permitted by the 2006 Act. Many other listed companies have this authority. This resolution specifies the maximum number of shares which the Company may acquire (a maximum of 10% of the Company's issued share capital as at 31 July 2023*), as well as minimum and maximum prices. If granted, the authority would expire at the conclusion of the annual general meeting of the Company to be held in 2024 (or, if earlier, the close of business on 28 September 2024). The Company would either cancel or hold as treasury shares any shares purchased under this authority.

As at 31 July 2023*, the total number of ordinary shares that may be issued on the exercise or vesting of outstanding options or awards under the Company's executive or employee share schemes represented approximately 2.00% of the Company's issued share capital as at that date. If the authority given by this Resolution 18 was exercised in full and those shares were subsequently cancelled, these options or awards would represent 2.22% of the Company's issued ordinary share capital.

The Directors have no present intention of using this authority. They would only exercise the authority if it was in the best interests of shareholders generally to do so and (except in the case of a purchase of own shares to fulfil obligations under the Company's executive or employee share schemes) any purchase would be likely to result in an increase in earnings per share.

Resolution 19: Notice for General Meetings

Authority is sought from shareholders to allow general meetings (other than annual general meetings) to be called on 14 clear days' notice rather than the 21 days otherwise required by section 307A of the 2006 Act. The Company would like to preserve the authority given at last year's AGM. The Company would not use the shorter notice period as a matter of routine for general meetings, but only where the business of the meeting merits the flexibility and is to the advantage of shareholders as a whole.

* 31 July 2023 being the latest practicable date prior to the publication of this notice.

Important Information for Shareholders

- Shareholders are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the AGM. Shareholders are encouraged to appoint the 'Chair of the meeting' as their proxy.
- A Shareholder may appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that Shareholder. Failure to specify the number of shares each proxy appointment relates to or specifying a number which, when taken together with the numbers of shares set out in the other proxy appointments, is in excess of the number of shares held by the Shareholder may result in the proxy appointments being invalid. A proxy need not be a Shareholder of the Company and can be appointed by completing the proxy form on the Babcock share portal at www.babcock-shares.com and following the instructions provided. Shareholders will need to log in to their Babcock share portal or register if they have not previously done so. To register, Shareholders will need their Investor Code which can be found on their share certificates or dividend confirmations. Alternatively, Shareholders may contact the Registrars. A proxy will vote as instructed and must attend the AGM for a Shareholder's votes to be counted.
- To be valid, proxy instructions must be received by the Company's registrars by 10.30am on Tuesday, 26 September 2023 (or not less than 48 hours before the time fixed for any adjourned AGM, provided that no account shall be taken of any part of a day that is not a working day).
- Copies of the following documents are available for inspection at the Company's registered office during normal business hours until the date of the Annual General Meeting and will be available for inspection at the place of the Annual General Meeting for at least 15 minutes prior to and during the meeting:
 - terms of appointment under which the Non-Executive Directors of the Company are engaged;
 - Executive Directors' service agreements; and
 - Articles of Association.
- Pursuant to regulation 41 of the Uncertificated Securities Regulations 2001 and section 360B of the 2006 Act, only those Shareholders entered on the register of members of the Company at close of business on Tuesday, 26 September 2023 or, in the event that the meeting is adjourned, on the register of members of the Company at close of business on the day two days (excluding any part of a day that is not a working day) before the date of any adjourned meeting, shall be entitled to attend and vote at the meeting in respect of the number of shares registered in their names at that time. Changes to the entries on the register of members after this time shall be disregarded in determining the rights of any person to attend and vote at the meeting or any adjourned meeting.
- As at 31 July 2023* the Company's issued share capital consisted of 505,596,597 ordinary shares, carrying one vote each. Therefore, the total voting rights in the Company as at that date were 505,596,597 votes.
- A corporate shareholder can appoint one or more corporate representatives who may exercise, on its behalf, all of its powers as a member provided that no more than one corporate representative exercises powers over the same share.
- CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting or any adjournment(s) by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST Personal Members or other CREST-sponsored members, as well as those CREST members, who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will take the appropriate action on their behalf.
- In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & International Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be received by the issuer's agent (ID RA10) by 10.30am on Tuesday, 26 September 2023 (or not less than 48 hours before the time fixed for any adjourned AGM, provided that no account shall be taken of any part of a day that is not a working day). For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
- Euroclear UK & International Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations apply in relation to the input of CREST Proxy Instructions. The CREST member concerned must take (or procure, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, that his/her CREST sponsor or voting service provider(s) take(s)) such action as necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
- The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) (a) of the Uncertificated Securities Regulations 2001.
- Institutional investors may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Proxies must be lodged by 10.30am on Tuesday, 26 September 2023 in order to be considered valid. Before proxies can be appointed via this process, institutional investors will need to have agreed to Proxymity's associated terms and conditions. It is important that these are read carefully as investors will be bound by them and they will govern the electronic appointment of proxies.

13. Any member or proxy attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting, but no such answer need be given if:
 - (a) to do so would interfere unduly with the progress of the AGM or involve the disclosure of confidential information;
 - (b) the answer has already been given on a website in the form of an answer to a question; or
 - (c) it is undesirable in the interests of the Company or the good order of the AGM that the question be answered.
14. Under section 527 of the 2006 Act, members subject to threshold requirements may require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts laid before the Annual General Meeting; or (ii) any circumstance connected with the Company's auditor ceasing to hold office since the previous Annual General Meeting. The Company may not require the members requesting any such website publication to pay its expenses. Where the Company is required to place a statement on a website under section 527 of the 2006 Act, it must forward the statement to the Company's auditor no later than the time when it makes the statement available on the website. The business, which may be dealt with at the Annual General Meeting, includes any statement that the Company has been required under section 527 of the 2006 Act to publish on a website.
15. Any electronic address (within the meaning of section 333(4) of the 2006 Act) provided in this notice of Annual General Meeting (or in any related documents including the proxy form) may not be used to communicate with the Company for any purposes other than those expressly stated.
16. A copy of this notice, and other information required by section 311A of the 2006 Act, can be found at www.babcockinternational.com.
17. The AGM may involve the processing of members' personal data by the Company. This includes all data provided by members, or on their behalf, which relates to them as members, including their names and contact details, the votes they cast and their Shareholder reference numbers. The Company and any third party to which it discloses members' personal data (including our Registrars) may process this personal data in accordance with the Company's privacy policy for the purposes of compiling and updating the Company's records and fulfilling the Company's legal obligations.
18. Any shareholder who has not otherwise received confirmation that their vote on the polls at the AGM has been validly recorded and counted and has no other reasonable means of confirming this, may, within 30 days from the date of the AGM, request information from the Company allowing him, her or it to confirm that their vote on the polls at the AGM has been validly recorded and counted, by using the contact details of the Registrar of the Company given below or of the Company given at the bottom of this notice.
19. The right to appoint proxies does not apply to persons nominated to receive information rights under Section 146 of the 2006 Act. Persons nominated to receive information rights under Section 146 of the 2006 Act who have been sent a copy of this Notice are hereby informed that they may have a right under an agreement with the registered member by whom they were nominated to be appointed, or to have someone else appointed, as a proxy for the AGM. If they have no such right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the shareholder as to the exercise of voting rights. Nominated persons should contact the registered shareholder by whom they were nominated in respect of these arrangements.
20. In the case of joint holders, where more than one of the joint holders purports to vote (including voting by proxy), the only vote which will count is the vote of the person whose name is listed before the other voters on the register in respect of the share.

A resolution may properly be moved or a matter may properly be included in the business unless (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the company's constitution or otherwise), (b) it is defamatory of any person, or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authenticated by the person or persons making it, must be received by the Company no later than the date six weeks before the AGM, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.
