Political Donations

17. That, in accordance with sections 366 and 367 of the Companies Act 2006 (the '2006 Act'), the Company and all companies that are its subsidiaries at any time during the period for which this Resolution 17 is effective are authorised to:

- (a) make political donations to a political party or to an independent election candidate;
- (b) make political donations to political organisations other than political parties; and

up to an aggregate amount of £100,000, with the amount authorised under each of paragraphs (a) to (c) also being limited to such amount, in each case during the period beginning with the date of the passing of this Resolution 17 and ending on 30 September 2020 or, if sooner, the conclusion of the annual general meeting of the Company in 2020 unless previously renewed, varied or revoked by the Company in general meeting.

For the purpose of this Resolution 17 'political donation', 'political party', 'political organisation', 'independent election candidate' and 'political expenditure' are to be construed in accordance with sections 363, 364 and 365 of the 2006 Act.

Authority to Allot

18. That, in substitution for all such existing authorities, the Directors of the Company be and are hereby generally and unconditionally authorised for the purpose of section 551 of the 2006 Act to exercise all the powers of the Company to allot shares in the Company or grant rights to subscribe for or to convert any security into shares in the Company:

- (a) up to an aggregate nominal amount equal to £101,018,200; and
- (b) comprising equity securities (as defined in section 560(1) of the 2006 Act) up to a further aggregate nominal amount of £101,018,200 in connection with an offer by way of a rights issue,

such authorities to apply (unless previously renewed, varied or revoked by the Company in general meeting) until the end of the Company's next annual general meeting (or, if earlier, until the close of business on 30 September 2020) but, in each case, so that the Company may make offers and enter into agreements before the authority expires which would, or might, require shares to be allotted or rights to subscribe for or to convert any security into shares to be granted after the authority expires and the Directors of the Company may allot shares or grant such rights under any such offer or agreement as if the authority conferred hereby had not expired. References in this Resolution 18 to the nominal amount of rights to subscribe for or to convert any security into shares (including where such rights are referred to as equity securities as defined in section 560(1) of the 2006 Act) are to the nominal amount of shares that may be allotted pursuant to the rights.

For the purposes of this Resolution 18 'rights issue' means an offer to:

- (i) ordinary Shareholders in proportion (as nearly as may be practicable) to their existing holdings; and
- (ii) holders of other equity securities, as required by the rights of those securities or, subject to such rights, as the Directors otherwise consider necessary,

to subscribe for further securities by means of the issue of a renounceable letter (or other negotiable document) which may be traded for a period before payment for the securities is due, including an offer to which the Directors may impose any limits or restrictions or make any other arrangements which they consider necessary or appropriate to deal with treasury shares, fractional entitlements, record dates, legal, regulatory or practical problems in, or under the laws of, any territory or any other matter.

Babcock 2019 Performance Share Plan

19. That, the rules of the Babcock 2019 Performance Share Plan, the main features of which are summarised in Appendix 2 of this AGM notice, and a copy of which is produced to the meeting and initialled by the Chairman for the purposes of identification, be and is hereby approved and the Directors of the Company be and are hereby authorised to do all such acts and things which they consider necessary or desirable to carry the same into effect.

Special Resolutions

Disapplication of Pre-emption Rights

20. That, in substitution for all such existing authorities, and subject to the passing of Resolution 18, the Directors of the Company be and are hereby generally empowered, pursuant to sections 570 and 573 of the 2006 Act, to:

- (a) allot equity securities (as defined in section 560(1) of the 2006 Act) for cash pursuant to the authority conferred by Resolution 18; and/or
- (b) sell ordinary shares (as defined in section 560(1) of the 2006 Act) held by the Company as treasury shares for cash, in each case free of the restriction in section 561 of the 2006 Act, provided that such authority shall be limited to:
 - (i) the allotment of equity securities and/or sale of treasury shares for cash in connection with or pursuant to an offer of, or invitation to apply for, equity securities (but in the case of an allotment pursuant to the authority granted under paragraph (b) of Resolution 18, by way of a rights issue only):
 - (A) to ordinary Shareholders in proportion (as nearly as may be practicable) to their holdings; and

- (B) to holders of other equity securities, as required by the rights of those securities or, subject to such rights, as the Directors otherwise consider necessary,

but subject to such limits, exclusions, restrictions or other arrangements as the Directors of the Company may consider necessary or appropriate to deal with treasury shares, fractional entitlements, record dates, legal, regulatory or practical difficulties which may arise in, or under the laws or regulatory requirements of, any territory or any other matter whatsoever; and

- (ii) the allotment of equity securities pursuant to the authority granted by paragraph (a) of Resolution 18 and/or sale of treasury shares for cash (in each case otherwise than in the circumstances set out in paragraph (i) of this Resolution 20), up to an aggregate nominal amount of £15,167,897, calculated in the case of equity securities which are rights to subscribe for, or to convert securities into, ordinary shares, by reference to the aggregate nominal amount of relevant shares which may be allotted pursuant to such rights,

such authority to apply (unless previously renewed, varied or revoked by the Company in general meeting) until the end of the Company's next annual general meeting (or, if earlier, until the close of business on 30 September 2020) but, in each case, so that the Company may make offers and enter into agreements before the authority expires which would, or might, require equity securities to be allotted (and/or treasury shares to be sold) after the authority expires and the Directors of the Company may allot equity securities (and/or sell treasury shares) under any such offer or agreement as if the authority conferred hereby had not expired.

For the purpose of this Resolution 20, 'rights issue' has the same meaning as in Resolution 18 above.

Authority to Purchase Own Shares

21. That the Company be and is hereby generally and unconditionally authorised for the purposes of section 701 of the 2006 Act to make market purchases (within the meaning of section 693(4) of the 2006 Act) of its ordinary shares of 60p each ('ordinary shares') in the capital of the Company on such terms and in such manner as the Directors of the Company may from time to time determine provided that:

- (a) the maximum number of ordinary shares hereby authorised to be purchased shall be 50,559,659 shares, representing approximately 10% of the issued share capital of the Company at 6 June 2019 (being the latest practicable date prior to the publication of this notice);
- (b) the price which may be paid for each ordinary share shall not be less than the nominal value thereof exclusive of the expenses of purchase;
- (c) the price which may be paid for each ordinary share (exclusive of the expenses of purchase) shall not exceed the higher of (i) an amount equal to 105% of the average of the middle market quotation for an ordinary share as derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which such ordinary share is contracted to be purchased; and (ii) an amount equal to the higher of the price of an ordinary share quoted for the last independent trade and the highest current independent bid for an ordinary share on the trading venue where the purchase is carried out;
- (d) the authority hereby conferred shall (unless previously renewed, varied or revoked by the Company in general meeting) expire at the end of the Company's next annual general meeting (or, if earlier, the close of business on 30 September 2020); and
- (e) the Company may, before this authority expires, make a contract to purchase ordinary shares which will or may be executed wholly or partly after the expiry of this authority, and may make purchases of ordinary shares in pursuance of any such contract as if this authority had not expired.

Notice for General Meetings

22. That a general meeting of the Company (other than an annual general meeting) may be called by the Directors of the Company on not less than 14 clear days' notice.

By order of the Board

Company Secretary

Important Information for Shareholders

1. Explanations of the Resolutions are given in the explanatory notes to the Resolutions on pages 5 to 7 of this document.
2. Members are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the meeting. A Shareholder may appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that Shareholder. A proxy need not be a Shareholder of the Company and can be appointed by completing the proxy form on the Babcock share portal at www.babcock-shares.com and following the instructions provided. You will need to log in to your Babcock share portal or register if you have not previously done so. To register you will need your Investor Code which can be found on your share certificate or dividend confirmation. Alternatively contact the Registrars. Your proxy will vote as you instruct and must attend the Annual General Meeting for your vote to be counted. You can appoint the Chairman of the meeting as your proxy. Completion and submission of a proxy instruction will not preclude a member from attending and voting in person at the Annual General Meeting.
3. To be valid, proxy instructions must be received by the Company's registrars, by 11:00 am on Tuesday 16 July 2019.
4. Any person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 (the '2006 Act') to enjoy information rights (a 'Nominated Person') may, under an agreement between him/her and the Shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the Shareholder as to the exercise of voting rights. A Nominated Person does not have the right of a member to appoint a proxy.
5. Copies of the following documents are available for inspection at the Company's registered office during normal business hours until the date of the Annual General Meeting and will be available for inspection at the place of the Annual General Meeting for at least 15 minutes prior to and during the meeting:
 - (a) terms of appointment under which the Non-Executive Directors of the Company are engaged;
 - (b) Executive Directors' service agreements;
 - (c) Articles of Association; and
 - (d) Rules of the proposed Babcock 2019 Performance Share Plan.
6. Pursuant to regulation 41 of the Uncertificated Securities Regulations 2001 and section 360B of the 2006 Act, only those Shareholders entered on the register of members of the Company at close of business on 16 July 2019 or, in the event that the meeting is adjourned, on the register of members of the Company at close of business on the day two days (excluding any part of a day that is not a working day) before the date of any adjourned meeting, shall be entitled to attend and vote at the meeting in respect of the number of shares registered in their names at that time. Changes to the entries on the register of members after this time shall be disregarded in determining the rights of any person to attend and vote at the meeting or any adjourned meeting.
7. As at 6 June 2019 (being the last practicable day prior to the publication of this notice) the Company's issued share capital consisted of 505,596,597 ordinary shares, carrying one vote each. Therefore, the total voting rights in the Company as at that date were 505,596,597 votes.
8. A corporate Shareholder can appoint one or more corporate representatives who may exercise, on its behalf, all of its powers as a member provided that no more than one corporate representative exercises powers over the same share.
9. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting or any adjournment(s) thereof by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST Personal Members or other CREST-sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
10. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by 11:00 am, on Tuesday 16 July 2019. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
11. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

12. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
13. Any member or proxy attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting, but no such answer need be given if:
 - (a) to do so would interfere unduly with the progress of the meeting or involve the disclosure of confidential information;
 - (b) the answer has already been given on a website in the form of an answer to a question; or
 - (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
14. Under section 527 of the 2006 Act, members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Annual General Meeting; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which Annual Report and Accounts were laid (in each case) that the members propose to raise at the Annual General Meeting. The Company may not require the members requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the 2006 Act. Where the Company is required to place a statement on a website under section 527 of the 2006 Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that the Company has been required under section 527 of the 2006 Act to publish on a website.
15. Any electronic address (within the meaning of section 333(4) of the 2006 Act) provided in this notice of Annual General Meeting (or in any related documents including the proxy form) may not be used to communicate with the Company for any purposes other than those expressly stated.
16. A copy of this notice, and other information required by section 311A of the 2006 Act, can be found at www.babcockinternational.com.

Explanatory Notes to the Resolutions

The Ordinary Resolutions (1 to 19) will be passed if the votes cast for the Resolutions are more than those cast against. The Resolutions to be proposed as Special Resolutions (20 to 22) will be passed if at least 75% of the votes cast for and against the Resolutions are in favour.

The Board considers that all the Resolutions in the notice of the Annual General Meeting are in the best interests of the Company and its Shareholders as a whole. Your Directors unanimously recommend that you vote in favour of them as they intend to do in respect of their own beneficial holdings.

Report and Accounts

Resolution 1: The Directors are required to lay the Annual Report and Accounts before the Shareholders at each Annual General Meeting. The Annual Report and Accounts to be laid before this Annual General Meeting relate to the financial year ended 31 March 2019.

Directors' Remuneration

Resolution 2: The Directors' Remuneration report is divided into three parts: the Annual Statement of the Remuneration Committee Chairman, the Remuneration Policy report and the Annual Report on Remuneration.

The Annual Statement of the Remuneration Committee Chairman, which can be found on pages 101 and 102 of the Company's Annual Report for the year ended 31 March 2019 provides a summary of Directors' remuneration for the year ended 31 March 2020.

The Remuneration Policy report, which can be found on pages 104 to 113 of the Company's Annual Report for the year ended 31 March 2019 sets out the Company's future policy on Directors' remuneration. This Remuneration Policy Report was approved by shareholders at the annual general meeting in 2017. As there are no changes to the policy and the approval obtained at the annual general meeting in 2017 is effective for three years, no shareholder approval of the Remuneration Policy Report is being sought this year.

The Annual Report on Remuneration, which can be found on pages 114 to 131 of the Company's Annual Report for the year ended 31 March 2019, gives details of the remuneration arrangements and payments made to the Directors of the Company during the year ended 31 March 2019. It also details how the Company's policy on Directors' remuneration will be operated in the year ending 31 March 2020.

Resolution 2 seeks Shareholder approval for the Annual Statement of the Remuneration Committee Chairman and the Annual Report on Remuneration for the year ended 31 March 2019. The vote is advisory only, is not specific to individual levels of remuneration and the Directors' entitlement to remuneration is not conditional on the vote being passed.

Final Dividend

Resolution 3: Seeks Shareholder approval for a final dividend for the year ended 31 March 2019 of 22.9p per ordinary share. If approved at the Annual General Meeting, this would be paid on Friday 9 August 2019 to those Shareholders on the Company's register at the close of business on Friday 5 July 2019.

Directors

Resolution 4: Under the UK Corporate Governance Code (the 'Code') and article 123 of the Company's Articles, all Directors appointed by the Board since the date of the last annual general meeting should be subject to election by Shareholders at the first annual general meeting after their appointment. Accordingly, Ruth Cairnie, appointed to the Board on 3 April 2019, will be proposed for election by shareholders. The Nominations Committee led the process of identifying and recommending the appointment of Ruth to the Board initially as a Non-Executive director and to succeed Mike Turner CBE in the role of Chair when he retires at the Company's Annual General Meeting on 18 July 2019. This process, based on pre-defined criteria of experience, knowledge, skills and independence is outlined in further detail on page 95 of the Annual Report. Ruth's biographical details are set out in Appendix 1.

The Nominations Committee and the Board unanimously support the election of Ruth Cairnie, who is a strategic and strong leader who brings in-depth experience. The Board is satisfied as to her effectiveness and commitment to the role of Director and Chair and considers her to be independent.

Resolutions 5 to 14: Under the Code, all Directors should be subject to annual reappointment by Shareholders. The Company follows this provision of the Code. The Directors covered by Resolutions 5 to 14 were each reappointed or appointed as Directors at last year's annual general meeting and are now standing for their annual reappointment under this provision. Following the annual performance evaluation of all Directors, the Board is satisfied that each Director continues to be effective and to demonstrate commitment to his or her role. Their biographical details, which are set out in Appendix 1, demonstrate how the Board has the appropriate balance of skills, experience, independence and knowledge to lead the Company's long-term sustainable success. Accordingly, the Board unanimously recommends their reappointment. Particular consideration was given to the independence of Sir David Omand, who joined the Board in 2009, and the Board remains satisfied that he and each of the Non-Executive Directors standing for reappointment named in Resolutions 5 to 11 continue to be independent. While the longer serving members of the Board have a valuable role in the maintenance of continuity during the handover to the new Chair, it is not expected that either Sir David Omand or Ian Duncan, who will have served 9 years on the Board in November 2019, will seek reappointment at the annual general meeting in 2020.

Auditor

Resolution 15: The Company is required to appoint an auditor to serve for each financial year of the Company. The Board is recommending to Shareholders the reappointment of PricewaterhouseCoopers LLP as the Company's auditor. Therefore this Resolution would reappoint PricewaterhouseCoopers LLP to act as auditor of the Company from the conclusion of this Annual General Meeting until the conclusion of the next annual general meeting. More about the appointment of the auditor is set out on page 100 of the Annual Report.

Resolution 16: This Resolution authorises the Audit and Risk Committee (for and on behalf of the Directors of the Company), in accordance with standard practice, to negotiate and agree the remuneration of the Company's auditor.

Political Donations

Resolution 17: It is the Company's policy not to make political donations or incur political expenditure as those expressions are normally understood. However, certain activities undertaken in the usual course of business may fall within the legal definition of political donation or political expenditure. The authority is sought annually to ensure that all the activities of the Company fully comply with the law.

Authority to Allot

Resolution 18: Under section 551 of the 2006 Act, the Directors may only allot shares or grant rights over shares if authorised to do so by Shareholders. Resolution 18 will be proposed as an Ordinary Resolution to grant a new authority to allot (a) shares up to an aggregate nominal value of £101,018,200 and (b) equity securities up to a further aggregate nominal amount of £101,018,200, where the allotment is in connection with a fully pre-emptive rights issue. These amounts will each represent a maximum of 33.3% respectively and together a maximum of 66.6% of the total issued ordinary share capital of the Company as at 6 June 2019 (being the last practicable date prior to the publication of this notice). This is in accordance with the guidance provided by the Investment Association on the Directors' authority to allot, which permits and will treat routine resolutions seeking authority to allot shares representing two-thirds of the Company's issued share capital provided that the extra authority (that part provided by paragraph (b) of Resolution 19) shall only be used to allot shares pursuant to a fully pre-emptive rights issue. If granted, this authority will expire at the end of the Company's annual general meeting in 2020 (or, if earlier, the close of business on 30 September 2020). As at 6 June 2019 (being the latest practicable date prior to the publication of this notice), the Company held no treasury shares.

The Directors have no present intention of exercising the allotment authority sought under Resolution 18 unless required for the allotment of ordinary shares in respect of options and awards under employee share plans. However, the Directors consider it desirable to have the flexibility to use it should opportunities arise. If the Directors do exercise the authority, the Directors intend to follow market best practice as regards its use.

Babcock 2019 Performance Share Plan

Resolution 19: Shareholders are asked to approve the rules of the Babcock 2019 Performance Share Plan to replace the existing performance share plan which was approved by shareholders at the annual general meeting in 2009 for a period of 10 years. The plan is intended to link reward to the achievement of long-term performance targets and is aligned to shareholder interests. A summary of the main features of the rules of the Babcock 2019 Performance Share Plan is in Appendix 2 of this AGM notice.

Disapplication of Pre-emption Rights

Resolution 20: The Directors also require additional authority from Shareholders to allot shares or equity securities or sell treasury shares where they propose to do so for cash and otherwise than to existing Shareholders pro rata to their holdings. Resolution 20 will be proposed as a Special Resolution to grant such authority. Apart from offers or invitations in proportion to the respective number of shares held, the authority in Resolution 20 will be limited to the issue of shares and sales of treasury shares for cash up to a maximum aggregate nominal value of £15,167,897 (representing 5% of the Company's issued ordinary share capital as at 6 June 2019, being the latest practicable date prior to the publication of this notice). If granted this authority will expire at the conclusion of the annual general meeting of Company to be held in 2020, (or, if earlier, the close of business on 30 September 2020). The Directors will have regard to institutional Shareholder guidelines in relation to any exercise of this authority, in particular the requirement for advance consultation and explanation before making any such issue which exceeds 7.5% of the total issued ordinary share capital of the Company (excluding treasury shares) within a rolling three-year period. With the possible exception of issues of further shares under the Company's executive or employee share schemes, the Directors do not have any present intention of exercising this authority but consider it desirable to have the flexibility to use it should opportunities arise.

Resolution 20 complies with the Investment Association's share capital management guidelines and follows the resolution templates issued by the Pre-Emption Group in May 2016.

Authority to Purchase Own Shares

Resolution 21: If passed, Resolution 21 will renew the general authority for the Company to make market purchases of its own ordinary shares. The renewed authority, in respect of a maximum of 10% of the Company's issued share capital as at 6 June 2019 (being the latest practicable date prior to the publication of this notice), would be exercisable with a minimum purchase price of 60p per share and a maximum price of the higher of (i) an amount equal to 105% of the average of the middle market quotation for an ordinary share as derived from The London Stock Exchange Daily Official List for the five business days preceding the day of purchase; and (ii) an amount equal to the higher of the price of an ordinary share quoted for the last independent trade and the highest current independent bid for an ordinary share on the trading venue where the purchase is carried out. If granted, the authority would expire at the conclusion of the annual general meeting of the Company to be held in 2020 (or, if earlier, the close of business on 30 September 2020). Shares purchased under the authority would either be cancelled or held by the Company as treasury shares. The Directors have no present intention of using this authority, and would only exercise the authority if they were satisfied at any time that it was in the best interests of Shareholders generally to do so, and that (except in the case of a purchase of own shares to be held as treasury shares to fulfil obligations under the Company's executive or employee share schemes) any purchase would be likely to result in an increase in earnings per share. As at 6 June 2019 (being the latest practicable date prior to the publication of this notice), the total number of ordinary shares that may be issued on the exercise or vesting of outstanding options or awards under the Company's executive or employee share schemes was 6,126,574, which represented approximately 1.21% of the Company's issued share capital as at that date. If the authority given by this Resolution 21 was exercised in full, the total number of ordinary shares that may be issued on the exercise or vesting of outstanding options or awards under the Company's executive or employee share schemes would represent approximately 1.35% of the Company's issued ordinary share capital. As at 6 June 2019 (being the latest practicable date prior to the publication of this notice), the Company had no warrants outstanding and held no treasury shares.

Notice for General Meetings

Resolution 22: This is required to reflect section 307A of the 2006 Act, which requires a minimum notice period for general meetings of the Company of 21 days, unless the Shareholders have approved the calling of general meetings (other than annual general meetings) on 14 clear days' notice at the immediately preceding annual general meeting or at a general meeting held since that annual general meeting. As a result of the Resolution which was passed at the 2018 annual general meeting, the Company is currently authorised to call general meetings (other than an annual general meeting) on 14 clear days' notice and would like to preserve this authority. Resolution 22 seeks such approval as a Special Resolution. If approved, this authority will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed. The Company also needs to meet the requirements for electronic voting under the Shareholders' Rights Directive (which it currently does and intends to continue to do so) before it can call a general meeting on 14 clear days' notice.

The shorter notice period would not be used as a matter of routine for general meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of Shareholders as a whole.

APPENDIX 2 TO THE NOTICE OF ANNUAL GENERAL MEETING

Summary of the principal provisions of the Babcock 2019 Performance Share Plan (referred to in Resolution Number 19).

Introduction

The rules of the current Performance Share Plan, which were approved by Shareholders in July 2009, will expire on 9 July 2019. The Remuneration Committee believe that it is in the best interests of the Company to replace the current Performance Share Plan in order to link part of executive remuneration to the achievement of long-term performance targets and, thereby, align the interests of Shareholders and the Company's executives. The Rules of the proposed Babcock 2019 Performance Share plan ('PSP') mirror those of the current Performance Share Plan.

Eligibility

Under the PSP awards may be granted to employees (including executive directors) of the Company and its subsidiary companies at the discretion of the remuneration committee of the Board ('Remuneration Committee').

Awards

Awards may normally only be granted in the 6 weeks beginning with the date on which the PSP is approved by the Company's shareholders ('Shareholders') and then in the 6 weeks following the announcement of the Company's results for any period. Awards may be granted outside these periods in exceptional circumstances.

The first awards will be granted in 2020. No awards may be granted more than 10 years from the date of approval of the PSP by Shareholders.

Awards may be granted as (a) a conditional right to acquire ordinary shares in the Company ('Shares') in the future at no cost to the participant or (b) an option (which may have an option price or may have a nil option price), as determined by the Remuneration Committee at the grant date.

Awards are personal to the participant and, except on the death of the participant, may not be transferred.

Awards are not pensionable.

Individual limits

The Remuneration Committee will determine the value of awards to be granted to each participant in a financial year up to a maximum of 200% of base salary.

The number of Shares under an award will be calculated by dividing the monetary value of the award by the middle-market quotation of the Shares taken from the London Stock Exchange Daily Official List ('Daily Official List') on the dealing day before the grant date or, if the Remuneration Committee decides, using the average middle market quotation of Shares taken from the Daily Official List during a period not exceeding 5 dealing days ending with the dealing day before the grant date.

Overall limits

The number of unissued Shares that may be issued or placed under award or option:

- (i) under the PSP and under any other executive share plan in any 10-year period may not exceed such number of Shares as represents 5% of the Company's ordinary share capital in issue from time to time; and
- (ii) under the PSP and under any other employee share plan in any 10-year period may not exceed such number of shares as represents 10% of the Company's ordinary share capital in issue from time to time.

Shares transferred out of treasury to satisfy PSP awards will count towards these limits for so long as this is required by institutional investor guidelines.

Performance condition

Awards may be granted subject to performance conditions that will be set by the Remuneration Committee and notified to participants at grant. In the case of awards to executive directors, all awards will have performance conditions and the conditions will be disclosed in the directors' remuneration report for the relevant year.

Vesting of awards

In normal circumstances, an award will vest on the later of the third anniversary of grant and the date that the Remuneration Committee determines whether any performance condition and any other conditions imposed have been satisfied.

If a participant leaves employment before an award vests due to retirement, injury, disability, redundancy, death or because the company or business for which he/she works is transferred out of the Group, or for any other reason at the discretion of the Remuneration Committee, the award will vest on the normal vesting date, to the extent that that performance condition has been met over the performance period. The number of Shares which vest will then be reduced proportionately on a time basis, unless the Remuneration Committee decides otherwise.

The Remuneration Committee may allow an award to vest early, subject to satisfaction of any performance condition up to the date that the employee leaves and, normally, time pro-rating.

Early vesting is also permitted on a change of control, reconstruction or winding up of the Company, subject to satisfaction of any performance condition up to the event in question. The number of Shares which vest will then normally be time pro-rated. Internal reorganisations do not automatically trigger early vesting of awards.

Holding Period

Awards may be granted subject to a post-vesting period holding period that will be set by the Remuneration Committee and notified to participants at grant. Awards made to executive directors will be subject to a holding period.

Malus and clawback

The PSP includes provisions under which the Remuneration Committee may reduce (to nil, if appropriate) the vesting of awards under the PSP (malus) or recoup the value of previously vested awards (clawback). For example, awards may be subject to malus and/or clawback where the Remuneration Committee determines that there is a material misstatement of the Company's financial results or where there is an error in the calculation of the number of Shares or amount of cash a participant should receive.

Entitlement to dividends

The Remuneration Committee may decide at any time that participants should receive an additional benefit equal in value to any dividends that they would have received during the vesting period, if they had been the holders of the vested Shares. The benefit can be provided in cash or Shares. Alternatively, the Remuneration Committee may grant an award on terms that the number of Shares subject to the award shall increase by assuming that dividends that would have been paid on those Shares during the vesting period would have been used to buy further Shares.

Cash alternative

The Remuneration Committee may elect at exercise or vesting, instead of delivering Shares, to pay cash to the participant. The PSP also has flexibility to allow cash-settled awards to be granted from the outset if the Remuneration Committee considers this appropriate.

Variation of capital

In the event of any variation in the share capital of the Company or in the event of a demerger, special dividend, or other similar event which affects the market price of Shares to a material extent, the Remuneration Committee may make any adjustments as it considers appropriate to the number of Shares subject to an award and/or any option exercise price.

Alterations

The Remuneration Committee may at any time amend the PSP. The prior approval of Shareholders is needed for any amendment to the advantage of participants to the provisions relating to eligibility, individual or overall limits, the basis for determining participant's entitlement to, and the terms of, Shares provided under the PSP, and the adjustments that may be made in the event of any variation of share capital. Minor amendments to benefit the administration of the PSP, to take account of a change in legislation or to obtain or maintain favourable tax, exchange control or regulatory treatment for participants, the Company or any group member, do not require the approval of Shareholders. Any amendment that is to the material disadvantage of participants in relation to awards already granted to them requires their majority consent.
